ACKNOWLEDGEMENTS

At the outset I would like to express my sincere appreciation and gratitude to Dr. N. K. Mahalik, Professor of the P.G. Department of Geology, Utkal University for sparing his valuable time to continuously guide me and supervise my work both in the field and in the laboratory. I am really indebted to him and I gratefully acknowledge his invaluable guidance, sincere interest, co-operation and constant encouragement with creative suggestions at various stages of this study.

I express my deep sense of gratitude to Prof. S. Acharya (at present Vice-Chancellor, Utkal University), Prof. B. Das, both former Heads of the Geology Dept. and Prof. S. Mukherjee, the present Head of the Dept. for their magnanimity in giving me all facilities and infrastructure at the Department to carry out my work.

I am indebted to Dr. K. L. Pandya, Reader, P. G. Dept. of Geology for his valuable suggestion regarding sedimentological studies. I do have a sincere sense of gratitude for other faculty members of the Dept. for their keen interest, inquiry and constant encouragement.

I express my sincere thanks to Er. D. Rath and Er. B. Mishra both Executive Engineers in the Department of Irrigation, Govt. of Orissa, Sri N. K. Sukla, Executive Engineer, PHD, Government of Orissa, Sri A. K. Mishra, Sr. Geologist, GSI, Sri K. K. Nath, Sr. Geophysicist of the Oil India Ltd., Prof. T. Ramamohan Rao, Prof. A. S. R. Swamy both of the Geology Dept., Andhra University, Prof. R. Vaidyanadhan, Dr. K. Nageswar Rao, both of the Dept. of Geography, Andhra University and Dr. G. C. Panda, Geography Dept., Utkal University for their assistance and co-operation in different aspects of this study.
Many of my one time co-workers such as S.Sri R.K.Kar, B. K. Kar, H. S. Das, B. S. Mohanty, M. Samantaray, S. Rath, Ms.N. Mohapatra and Ms. P.Padmavati have gone a great way to help me in carrying out my work.

I render my sincere thanks to S.Sri B. K.Das, G. S. Dash, P. C. Kar, M. R. Mohapatra and other staff of the P.G.Dept. of Geology for their timely help and co-operation.

My beloved parents, inlaws, brothers, sisters and loving husband deserve my special love and gratitude for their constant encouragement, moral support and physical help during this study.

I am extremely thankful to Mr. R.C.Sahoo, Mr. P.C.Das for excellent typing and Mr. N. Jena for neat tracing.

Many students of the P.G.Dept. of Geology, my hostel inmates and others, whom it is not possible for me to quote individually, have given me their love, affection and assistance which I will remember with pleasure. I thank them for all that they have given me.

Chitnalekha Das
