ACKNOWLEDGEMENT

I express my deepest gratitude and profound gratefulness to my esteemed guide, Dr. G.C. Dash, for his discerning and patient guidance, ingenious supervision and encouraging support throughout this work.

I also pay my humble tribute to the sacred memory of Late Dr. S.P. Mishra, Professor of Mathematics, Utkal University, the founder of school on Applied Mathematics in Orissa.

I also extend my gratitude to Dr. G. Das, Professor of Mathematics, Dr. R.S. Rath, Dr. B.P. Acharya, Dr. J. Sinha Roy, Dr. (Miss) P. Mohapatra and Dr. S. Padhy of Utkal University, Vanivihar, for their kind advice and encouragements.

I am thankful to Dr. P.D. Das, Director of Basic Science College for providing necessary facilities to carry on the research work.

My thanks are due to Prof. P.C. Pattanaik, Dean C.E.T., Prof. C.P. Mishra, Dean Research, Mr. B. Sahoo, Head of the Computer Centre, Mr. P. Panigrahi, Mr. A. Roy, Mr. L. Sahoo, of O.U.A.T., for their kind help for computation of the problem.
I am highly obliged to the authority of Begunia College, Begunia for the permission to continue my work. I am also grateful to Mr. P.K. Subudhi, Mr. P. Mohanty for giving me all types of scope to complete this work.

I am greatly indebted to Dr. S.C. Behera, Mr. L.N. Mishra and late Mr. Y. Sahoo for their kind help and cooperation.

Next to this are my friends and colleagues who deserve my hearty thanks. Particularly, I will never forget the assistance and cooperation I was offered by the teachers of the School where the present piece of work has carried out.
I am thankful to Dr. R.K. Kamila, Dr. B.K. Ojha, Dr. D.P. Das, Mr. P. Pattanaik, Mr. Y. Naik, Miss. B. Mahapatra, Mr. S.K. Pradhan, Mr. S. Samantaray, Mr. B. Mahapatra. Here, I do appreciate and praise the help of my sincere friend Dr. M.C. Rout.

I am also thankful to Mr. P.C. Dhir, Didi, Mr. G.C. Mishra for their valuable advice and encouragements to complete this work.

Finally, my parents, brothers whose love, affection and sacrifice are beyond expression, gave me everything that I do possess. It is their blessings that kept me spirited and active, showed me light and path, won over evils and kept me harmless. I owe them all my achievements.
Specially, I am indebted to my mother beloved brothers Mr. J.K. Tripathy, Mr. B.K. Tripathy, Mr. S.C. Tripathy, Mr. S.K. Tripathy, for their continual assistance, helpful suggestions and empathetic care.

Finally, I am very thankful to my brother Mr. B.K. Tripathy and sister-in-law Mrs. J. Tripathy for their loving support and tender feelings that have led me through hard times of this research work.

Lastly my thanks are due to Mr. N.K. Acharaya and Mr. M. Taslim for their sincere labour in neatly typing out the manuscript in computer.
