ACKNOWLEDGEMENT

This work of doctoral thesis is a distinguished attempt on 'Project Appraisal' in Orissa. Many persons have contributed their ways of assistance and many institutions have helped me in accomplishing this research work. I would take the privilege of putting my heart-felt thanks on record at this edging moment of work to all those persons who have contributed instantly and unhesitatingly to my modest attempt.

It is my pleasant duty to acknowledge my sincere gratitude and indebtedness to Dr. G K Sharma, Professor, College of Accountancy and Management Studies, Cuttack, whose gracious and ungrudging guidance, great encouragement and personal care has instilled immense force within me to complete this research work.

I record my profound thanks to my revered teachers Prof R K. Jena, Prof B N. Pattanaik, Prof G.P. Acharya and Prof P C Tripathy for their valuable suggestions. Their depth of knowledge and pursuits for academic excellence have always been a source of inspiration for me.

I am deeply indebted to Prof. (Dr.) R.K Bal, Reader, Utkal University, Dr. S. Kumar, Sr. Lecturer, Ekamra College, Bhubaneswar, Mr. J.R. Sahu Deputy Director, Regional Research Laboratory, Bhubaneswar and Dr K C Mishra, for extending generous help and instilled cooperation during the course of the research work.

I am also thankful to Prof S Maharana, Prof P K Pradhan and other members of Department of Commerce, Utkal Univerity, Vani Vihar, Prof. N C Kar, CAMS, Cuttack and Prof D Biswal, Prof & Head, Department Com, Ravenshaw College, Cuttack for providing suggestions of rare brilliance.

I owe a special thanks to Sri Sanjay Satapathy, Lecturer in Commerce, for appreciating my work with his prodigious creative look.

I convey my thanks to Sumeet Sharma and Goutam Dev who helped me a lot by enriching me with valuable literature on the study through Internet.

I am thankful to the authorities and staff of Bombay University's library, Mumbai, NITIE's library, Mumbai, Kanika Library, Ravenshaw College, Cuttack, Parnja Library, Utkal University and National Library, Calcutta for granting me necessary permission and providing me facilities to obtain useful inference material. I am also grateful to the management of different Banks, Financial Institutions and Industries for providing me necessary documents and sharing their experiences.

I take the opportunity of expressing my personal thanks to the authors of various books, articles, research papers whose thoughts and work helped me in going ahead with this study.

I extend my thanks to Sri. Damodara Satapathy and Sri Sanjay Kumar Mahatab in assisting me in the Computer work.

I owe deep obligation to my mother Dr Labanya Debi for her blessings and encouragement. I feel paucity of words to express my feelings to my wife and children who are at one with me for seeing me, completed the work in time.

Lastly, I extend my deep sense of gratitude to my galaxy of friends, colleagues and relatives for their suggestions and the repeated question "When are you completing ......."

SEKHARSRI BERA
