Acknowledgements

I acknowledge my heartfelt debt to my supervisor Dr. Asim Mukhopadhyay, Associate Professor of Mathematics, Vivekananda Mahavidyalaya, Burdwan for his extremely useful guidance that lead me to set my goal. I record my extreme gratitude for the valuable suggestions in my day to day research activities, constructive criticism, constant encouragement and moral support which helped me a lot for the successful completion of my work. I am also indebted to him for giving me his valuable time with utmost sincerity, tolerance and patience. I felt responsible for taking his many sleepless nights which ripened the fruits of our thoughts. His versatile scholarship and wise counsel immensely helped me to solve the questions which arose during my research activities. I acknowledge with highest gratitude to Prof. B. S. Dandapat, ISI, Kolkata for giving me the opportunity to learn every nook and corner of the subject-area of my research, which would remain engrossed in my heart for all times to come.

I acknowledge my sincerest gratitude to my parents Late Smt. Niharbala Mukhopadhyay and Sri Sasadhar Mukhopadhyay for their constant inspiration throughout my life to take educational research as the ultimate goal, which encouraged me to do this work.

I acknowledge my friend, philosopher and guide Dr. Kusal Chattopadhyay, Associate Professor of Political Science, Vivekananda Mahavidyalaya, Burdwan whose constant encouragement enlightens me on every difficult day of my research work. I acknowledge my gratitude to respected Principal Dr. Pradip Kumar Dawn for giving me the opportunity and patience for hearing my several thoughts for this research
work. I acknowledge my gratitude to my loving and respected elder brother Dr. Suman Jana, Associate Professor of English, Vivekananda Mahavidyalaya, Burdwan whose positive attitude to every sphere of life has given me a kind of inspiration to do this research work. I also acknowledge the cooperation and positive attitude of each and every member of my esteemed institution.

Finally, I acknowledge my obvious debt to my wife Kakali for giving me the space and opportunity by taking responsibility for running my family on her shoulder which kept me free for probing new ideas of my research activities. I also acknowledge my debt to my children Nilanjana and Riju for their inquisitiveness about my work that gave me a kind of inspiration for the completion of this work. They always kept me in good humour through the last three years.
