ACKNOWLEDGEMENT

I feel honored to express my deep sense of gratitude to Prof. R. K. Jena, my revered teacher and research guide, who is the inspiring force behind this research work. His continuous guidance, scholarly advice and parental love have enabled me to complete this work. Besides helping me to identify this topic, he has provided me his expertise at every stage of this work. I owe him more than what I can express.

I am deeply indebted to Prof. S. Moharana, Head of the Department of Commerce, for his most valuable and timely advice in providing me many innovative insights for enhancing the quality of this research work. He has helped me a lot in exploring many new things in connection with this research work.

I am immensely grateful to Prof. Surya Kanta Das, Prof. P. C. Tripathy, and Prof. B. N. Patnaik for continuously encouraging me to complete this work. I express my gratitude to Sri Proadyot Keshari Pradhan for his brotherly inspiration and going through my work and advising me for incorporating many changes in different stages. I am thankful to Dr. R. K. Bal, A. K. Swain, and P. K. Hota for their inspiration and valuable suggestions during my work.

I thank my friend Durga, Sanjoy, Nishikant, Bimal, and Raju, for providing me all sorts of assistance, motivation and friendly encouragement in different stages of this work.

I am very much thankful to different authors, libraries, financial institutions for their generous support, otherwise, I would not have been in a position to complete this work. My special thanks to the authorities of the Western Regional Council, ICSSR, Bombay, IIM & Sardar Patel Institute of Social Science Research and Ahmedabad for providing me study grant, hostel facilities and other services.

I am indebted to my parents and brother for their blessings and continuous inspirations in completing this piece of work, without which it would have not been possible to dream.

I thank to all my friends and well wishers, who were directly or indirectly, have been source of inspiration to me. I thank to INTECAD family for the printing and preparation of the research project.

Last but not the least, I thank my son “Omm” and Sunita, who have not only inspired me but have provided many assistance during the work.
