ACKNOWLEDGEMENT

I feel great pleasure in expressing my deep sense of gratitude to my supervisor Professor M.Q. Khan for his meticulous guidance of this work. Without his active cooperation the work would not have seen the light of the day.

My thanks and gratitude go to Dr. P. K. Patra, Reader and Head of the department of English, Gauhati University Campus, Kokrajhar and his wife Dr. Tanushree Nayak for their active involvement and support for the completion of the work.

Professor (Major) Rabindra Kumar Parida and Prof. Pratap Chandra Nag had always been with me extending their unflinching moral support without which I would not have been able to come up to this extent.

Prof. Dwijen Sarma and Prof. Suresh Kalita provided me valuable suggestions that made some of the concepts relating to my research topic easier also deserve my sincere thanks.

All my teachers, well-wishers and relatives who have been with me right from the days of my early education and whose inspiration intensified even more while carrying on this research study deserve my high sense of honour and gratitude. My sincere gratitude is especially due to Ms. Saraswati Mahanti, Mr. Ambika Prasad Mahanti and Ms. Puspa Mahanti for their constant moral support. My little friends, Shuvam and Riya deserve my heart-felt love and affection for giving me moral courage to complete this project.

Last but not least my special thanks go to Mr. Purandar Sahoo for his immense help, active inspiration and cooperation for the completion of the work.
