ACKNOWLEDGEMENT

It is a great pleasure to express my sincere and deepest gratitude to my Supervisors Prof. I. S. Rao and Dr. P.K. Tripathy of Post-Graduate Department of Statistics, Utkal University for their valuable and sincere guidance throughout the preparation of my thesis, without which it would have been nearly an impossible task for me.

I owe my indebtedness to Prof. J. Sarangi and Prof. A.K.P.C. Swain of Post-Graduate Department of Statistics, Utkal University for their encouragement and support to carry out my research work under Utkal University.

I feel proud in expressing my profound sense of gratitude to Prof. K.B. Pathak, International Institute for population sciences (IIPS), Bombay, Prof. P.C. Saxena, IIPS, Prof. B.R.K. Kashyap, IIM, Calcutta, Prof. G. Rama Rao, IIPS, Dr. A. Pandey, IIPS, Dr. N.P. Das, Population Research Centre, Baroda, Prof. Sarada Kumari, Kurukshetra University, Prof. B. Acharya, Utkal University and Dr. N.N. Nayak, Orissa University of Agriculture and Technology, (O.U.A.T.) Bhubaneswar.

I like to express my due thanks to Mr. C. Mohanty and Mr. S. Swain of Directorate of Census, Bhubaneswar and Mr. Anil Kumar, Regional Medical Centre, Bhubaneswar for their
help in research work in different form, directly and indirectly.

I owe my obligation to Dr. D. Naik, Directorate of Planning, Monitoring and Evaluation, O.U.A.T., Bhubaneswar for his support to carry out my research work.

I wish to record my heartfelt gratitude to the Librarians of IIPS, Bombay; Indian Statistical Institute, Calcutta; Indian Institute of Technology, Kharagpur; M.S. University Baroda; Andhra University, Vishakhapatnam; Bombay University, Bombay and Kurukshetra University, Kurukshetra, Utkal University, Bhubaneswar and Orissa University of Agriculture and Technology, Bhubaneswar for their valuable help and assistance for collection of materials.

My thanks are due to Acharya Associates, Bhubaneswar for his help in analysing the data and computerizing the thesis work, when needed.

I am grateful to the Library and technical staff of Directorate of Health, Government of Orissa; Directorate of Economics and Statistics, Government of Orissa; Directorate of Census of India, Orissa; Family Planning Association of India, Bhubaneswar; Branch; Operations Research Group, Bhubaneswar; Population Health Education Centre, Bhubaneswar, Regional
Medical Research Centre, Bhubaneswar and Population Research Centre, Utkal University for providing the relevant data for my research.

I wish to thank the colleagues of Directorate of Planning and Comprehensive Scheme, O.U.A.T., Bhubaneswar who co-operated me at different stages during my research work.

To my wife, Bishnupriya, I offer my appreciation for inspiring in my distress.
