ACKNOWLEDGMENT

This work is actually an outcome of endeavor of several personalities, who have become instrumental in helping me in my efforts to make this work a reality.

A formal statement of acknowledgement will hardly meet the end of justice in the expression of deep sense of gratitude to my esteemed guide, Dr. (Mrs.) Nisha Shukla, Reader, Deptt. of Home-Science, M.L.&J.N.K Girls (P.G) College, Saharanpur, for her competent guidance with constructive suggestions, painstaking efforts and sustained encouragement. Her pleasant demeanor and smiling face was one of the driving forces to steer this work. She always spares her precious time out of her busy schedule whenever I approached her.

I record my sincere and warm thanks to Dr. (Mrs) Surender Kaur Makkar, Reader & Head, Deptt. of Home Science, M.L.&J.N.K Girls (P.G) college Saharanpur, for her supportive and affectionate presence and encouragement during the course of study.

The completion of this work would not have been possible without the generous and untiring efforts of Dr. Jyoti Kochar, who provide shape to my work and gave her generous help and precious time out of her busy schedule.

I express my sincere thanks to Dr. (Mrs) Padmja Amit, Principal M.L&J.N.K Girls P.G. College, Saharanpur, for her kind co-operation and encouragement during the course of study.

I hereby express my sincere thanks to library staff of M.L&J.N.K Girls (P.G.) College Saharanpur, for willing cooperation and giving me required information.
No words of language can express my regards to my in-laws, my mother-in-law Mrs. Shiksha Devi & my father-in-law Mr. Hem Singh Tanwar for their blessings and willing co-operation for this work.

I fail to express my feelings to my revered parents Mrs. Suman Pundir and my father Mr. Sushil Pundir who always encourage me for higher studies and continuously showered their blessings during this work.

I express my sincere thanks to my brother-in-law Mr. Mohinder Tanwar, who showed his regular supportive attitude and gave generous suggestions during this course of study.

I am extremely thankful to my brothers Manik, Mandeep and sister-in-law Anwesha, for their untiring efforts and always helping attitude.

I am also thankful to my loving daughter Parnika for bearing patiently with me.

Finally, I acknowledge the person, whose never ending support and sacrifice made me able to complete this work, the one and only ‘Mr. Dharmender Tanwar’ my husband. Hearty thanks to him for standing by me in various situations and encouraging me always.

The completion of this work would not have been possible without the will of almighty GOD who continuously showers his blessings during this work.
