ACKNOWLEDGEMENTS

The author expresses his deep sense of gratitude to Prof. M. Venkata Ratnam for his inspiration, guidance and constant encouragement throughout this investigation.

He is extremely thankful to Dr. K.S. Sarma of Mathematics Department for his selfless, untiring and generous help and guidance rendered at all stages of the study.

Liberal grants awarded by the College Research Council and computational facilities provided by the Computer Centres at I.I.Sc., Bangalore and A.R.L., Hyderabad are gratefully acknowledged.

The author wishes to thank his colleagues, students, staff of Soil Mechanics Laboratory and Civil Engineering Departmental Office (including drawing section) for their kind cooperation.

He has no words to express his heartfelt gratitude to his parents and family, who made this part time research a reality.

His thanks are also due to Kumari Rama Devi for her excellent typing work.
