DEDICATION

This thesis is dedicated to

my parents
late Chinta Laxmamma & late Chinta Ramaswamy
as a mark of honour and gratitudes
for their love, affection and for their interest
and special efforts that they devoted
towards my studies

&

my beloved, dutiful and responsible wife
Smt. Chinta Suseela,
whose co-operation led me to complete
higher studies from graduation onwards and
reach the present stage
as ours was an early marriage.
