ACKNOWLEDGEMENTS

I express my heartfelt gratitude to Dr. Binoy J Paul, MD, DNB, PhD, FRCP, Associate Professor of Medicine Retd, Govt. Medical College, Kozhikode for his valuable guidance, constant encouragement, and inspiration to carry out my research work. I am deeply indebted to him for the special care and interest he had shown me throughout the period.

My most sincere thanks to my co-guide Dr. N.K. Thulaseedharan, Professor & HOD, Dept. of Medicine, Govt. Medical College, Kozhikode for his valuable guidance, encouragement, suggestions and inspiration to the fulfillment of my research work.

I express my sincere thanks to Dr. P.K. Sasidharan, former professor and HOD of Medicine, Dr. V. Udaya Bhaskaran, former Professor of Medicine, and all the colleagues in the Dept of Medicine, Govt Medical College, Calicut for all the help rendered in my work.

I am grateful to Principal, Govt Medical College, Calicut for all the encouragement and infrastructural facilities provided for taking up the work.

I acknowledge my sincere thanks to all faculty members of Dept of Community Medicine who were in charge of PHC Cheruppa, Mavoor Panchayath and all the field staff who worked under PHC for all the help rendered to carry out this community study.
I also acknowledge Dr. Biju Joseph, Asst. Professor, Dept of Community Medicine, Govt Medical College, Kozhikode for the help rendered in the statistical analysis of the data.

I express my sincere thanks to Dr. Pradeep Kumar, Scientific Officer, Sri. Pushparaj Sr. Technician Dept of Biochemistry and Manoj for their help rendered in laboratory analysis.

I am grateful to Dr. Arun. E. T. Nidheesh for their help in times of need.

My sincere thanks to people of Kuttikadavu village, Mavoor Panchayath who were central to materializing the study.

I express my profound gratitude to my family for their cooperation, and help without which this could not have been completed.

Finally I thank the God the almighty, the physician of physicians for his presence and blessings throughout my work.

Dr. Geetha Panarkandy
