3.36 Size-wise assistance sanctioned (SFCs).
3.37 Assistance to small sector (SFCs).
3.38 Assistance sanctioned and disbursed (SIDCs).
3.39 Industry-wise assistance sanctioned and disbursed (SIDCs).
3.40 State-wise assistance sanctioned and disbursed (SIDCs).
3.41 Sector-wise assistance sanctioned and disbursed (SIDCs).
3.42 Purpose-wise assistance sanctioned (SIDCs).
4.1 Resources structure of the OSFC.
4.2 OSFC : Statement of Resource mobilization.
4.3 OSFC : Rates of Interest on term loan.
4.4 OSFC : Promoter's contribution.
4.5 OSFC : Processing fees.
4.6 Operations of OSFC.
4.7 OSFC: Sanctions disbursements with growth rates.
4.8 OSFC : Sanction-disbursement gap.
4.9 OSFC : Assistance sanctioned with growth rates (amount and number-wise).
4.10 OSFC: Assistance disbursed with growth rates (amount and number-wise)

4.11 Assistance sanctioned and disbursed to backward areas with growth rates and percentage to total (OSFC).

4.12 Sanctions to SSI Units with growth rate and percentage to total (OSFC).

4.13 Disbursements to SSI units with growth rate and percentage to total (OSFC).

4.14 Assistance sanctioned to Industrial Units other than SSI units with growth rates and percentage to total (OSFC).

4.15 Assistance disbursed to Industries units other than SSI units with growth rates and percentage to total (OSFC).

4.16 OSFC: Purpose-wise distribution of loan assistance.

4.17 Industry-wise distribution of loans sanctioned.

4.18 OSFC: Category-wise distribution of term-loan sanctioned.

4.20 OSFC: Sector-wise distribution of loan assistance.

4.21 Outstandings and overdues (OSFC).

4.22 Amount due and recovery (OSFC).

5.1 Distribution by type of industrial units.

5.2 Distribution of industrial units by the status of ownership.

5.3 Distribution of industrial units by gestation period and age.

5.4 Customer-wise classification of the industrial units.

5.5 Classification of industrial units by sources of purchase.
5.6 Classification of industrial units by work force.
5.7 Classification of industrial units by product or service line.
5.8 Distribution of industrial units by investment of capital.
5.9 Distribution of industrial units by sources of finance.
5.10 Distribution of industrial units governed by locational factors.
5.11 Classification of industrial units by capacity utilization.
5.12 Classification of industrial units by profit/loss.
5.13 Classification of industrial units by financial problems.
5.14 Classification of industrial units by raw material availability.
5.15 Classification of industrial units by the problems of skilled labour.
5.16 Classification of industrial units by marketing problems.
5.17 Classification of industrial units by various aspects of current performance.
5.18 Classification of industrial units by benefits from government's policy measures.
5.19 Classification of industrial units by benefits from Orissa State Financial Corporation.
5.20 Classification of industrial units by educational background of entrepreneurs.
5.21 Classification of industrial units by occupational background of the entrepreneurs.
6.1 Step-wise regression results.
6.2 Multiple regression results.
