ACKNOWLEDGEMENTS

The author is grateful to Dr. V. B. Shastry, M.A., M.Ed., Ph.D. (Utkal), D.C.O.E.A. (Birmingham), O.E.S. (I), Reader in Education, R.N. Institute of Advanced Studies in Education, Cuttack, formerly Director, Adult, Continuing Education and Extention Programme and Academic Staff College of the Utkal University, Vani Vihar, Bhubaneswar, for his guidance, help and constructive criticism. The author expresses his deep sense of gratitude to his esteemed guide.

The author owes his sincere gratitude to Dr. Bharati Mohapatra, M.A., M.Ed., Ph.D. for the encouragement and help in completing this work.

Thanks are due to Miss Sovanika Mohanty, M.Sc., M.Ed., Teacher, Government Girls' High School, Bhadrak for her assistance.

The author takes the opportunity of thanking Dr. S. N. Parhi, Lecturer in Mathematics, Dr. B. Das, Lecturer in Education, Sri B. M. Mishra, Lecturer in English and Sri H. K. Das (A), Typist, Bhadrak College, Bhadrak for their help.

Lastly heartfelt thanks are due to all the teachers and students, but for whose cooperation in the administration and collection of data, the thesis could never have been completed.

While acknowledging with gratitude the help received by the researcher from various quarters at different times, the author would like to explicitly place it on record that he and he alone is absolutely responsible for all the shortcomings blemishes and lacuna that may be found in the thesis.
