ACKNOWLEDGEMENT

The author is heavily indebted to his guide Prof. B. Das, who as the Director of SCERT had initiated him into the problem of this study and as the busy Director of Public Instruction of the State could give timely and needed guidance and who for a long time could patiently supervise the progress of this work and finally with whose blessings the work is completed.

The author expresses his grateful acknowledgement of the ungrudging advice and guidance of Dr. D.P. Pattanayak, Director, CIIL, Mysore, Prof. (Dr.) S.C. Dash, Director, SCERT, Orissa, Prof. (Dr.) CHK. Mishra, NCERT, Prof. K.G. Rostogi, NCERT, Prof. (Dr.) S.D. Roka, NCERT, Dr. B.P. Mohapatra, Deputy Registrar, Language Division, Government of India, Calcutta, Prof. (Dr.) K.C. Panda, RCE, Bhubaneswar, Prof. (Dr.) A.K. Mohanty (Psychology) and Prof. J. N. Mohanty (English), Utkal University and Prof. (Dr.) Pabitra Sarkar, Jadavpur University.

The author is more than grateful to Edgar Dale, Professor Emeritus, Ohio State University, D. A. Perera, Acting Director and Paul Fisk, Head of Publication Unit, UNESCO Institute for Education, Hamburg for sending him some useful publications as well as xerox copies of publications along with their best wishes for him. Similar feeling of gratefulness is expressed by the author to his colleagues Dr. S.B. Mohanty, Smt. D. Sinha Ray and Dr. S.M. Pany and nephew Lt. Col. S.K. Mishra who could arrange for him some rare publications in original and xerox copies from UK and Calcutta and for their constant encouragement for completion of this work.

The author is further grateful to the authorities of the following Institutions for enabling him to use their library facilities: Central Institute of India Languages, Mysore,
The author is also grateful to the Directors, ICSSR, Calcutta/New Delhi for sanctioning study grant for library study at National Library, Calcutta and NCERT Library, New Delhi respectively.

The academic discussion, suggestions and ever enthusiastic encouragement of Dr. J. Mohanty, Dr. V.B. Shastry, Dr. S. Samal, Dr. D.C. Mishra, Dr. S.L. Jena, Sri G. S. Mohapatra and Smt. P.L. Mohapatra and many other colleagues are specially acknowledged.

Special thanks are due to Engineer, Binod Bihari Samanta Singhara who could very gladly did the data processing in computer.

The ever willing and labour of love put in by almost all the family members of the author including his youngest school going son and retired father-in-law in counting, serialising, shuffling the untabulated and tabulated cards and in paper tabulation at certain phases is hereby acknowledged with humility. Special appreciation is due to his wife Sarojini, who could gladly make special efforts in writing down the final word-list (Appendix-4) and for her constant chase to complete the work, in spite of her busy schedules both at home and school.
The strenuous and neat work of typing and xeroxing the thesis undertaken and completed by Mr. Babi and his Principal—Mr. D. Rama Rao of Padma Commercial College, Bhubaneswar is acknowledged with due appreciation and thanks.

The author expresses his thanks for the encouragements and help in one way or other from many others who have to go unnamed in these pages.
