ACKNOWLEDGEMENT

I am deeply indebted to my Research Guide Dr. P.K. Dubey, Professor and Chairman BOS in Chemistry, Department of Chemistry, J.N.T. University Hyderabad, Kukatpally, Hyderabad – 500 085, for his inspiring guidance throughout the course of Ph.D work. I wish to express my gratitude and profound thanks for his innovative suggestions and steadfast inspiration bestowed on me at all stages of my work.

I am deeply indebted to Dr. A. Naidu, Retd. Professor and Head for his support, encouragement and direction throughout the course of Ph.D programme. His helpful attitude during the entire course of the research programme is deeply cherished by me.

I wish to express my gratitude to Dr. Ch. Venkataramana Reddy presently Professor and Head of the Department of Chemistry, Dr. (Mrs.) Y. Bharathi Kumari, Retd. Professor and Head, Dr. (Mrs.) B. Rama Devi, Assoc. Professor of Chemistry, Dr. (Mrs.) P. Aparna, Asst. Professor of Chemistry and Mrs. T. Sabitha kala, Asst. Professor of Chemistry, J.N.T.University Hyderabad College of Engineering, for their encouragement and support.

I am very thankful to Principal, Prof. A. Vinaya Babu, Principal of the JNTUH College of Engineering, J.N.T. University Hyderabad and Prof. N.V. Ramana Rao, Registrar of J.N.T. University Hyderabad, for extending full support to me during my entire research period.

It is a pleasure to acknowledge the kindness of Sri K. Rama Sastry of Suven Life Sciences Hyderabad, Dr. P.V.V. Prasada Reddy of NoschLab,
Hyderabad, Dr. B. Pramod kumar, Shilpa Medicare, Raichure, Mr. U. Usha Rani from Natco Pharma, Dr. B. Ramesh, Head of R & D, Azakem labs Pvt. Ltd, and Dr. B. Venugopal Rao from Dissymetric labs who provided NMR, Mass and IR spectra for several of my research samples.

My heartfelt thanks to my fellow Research Scholars in the Department, namely, Dr. B. George Vineel, Dr. K. Shiva Kumar, Dr. M. Venkatanarayana, Dr. K. Srinivas, Dr. N.D. Mahesh Kumar, Mr. P. Kishore Kumar, Dr. M.V.S.R.K. Chaitanya, Mr. Sd. Riyaz, Mr. Rajasekhar Bhupathi, Mr. Praveen Kumar Padam, Mr. S. Kotaiah, Mr. Praveen Kumar Darsi, Dr. Sd. Tasqueeruddin, Mr. P.N. Kishore Babu, Mr. T. Ashok Kumar, Mr. Y. Dattu Reddy, Mr. G. Tirupathi, Mr. S. Srinivas Rao, Mr. Mohd Rafeeq, Mr. K. Veeraswamy, Mr. D. Srikrishna, Mr. I. Indrasena, Mr. D. Vivekananda Reddy and Mr. P. Venkateshvarlu.

I acknowledge the help of Mr. A. Brahmanandam, Mr. Ch. Shankar, Mr. A. Deepchander, Mr. Md. Omer, and Mrs. I. Manikyamma (Non-Teaching staff of the Chemistry Department) for their assistance in the lab. I am also thankful to Mr. S. Sunder Raj and Mr. Narasimha Reddy of Silvary Enterprise, Kachiguda, Hyd.(A.P.) for timely supply of chemicals, solvents and other consumables.

I am very thankful to my friends and my relatives my brother-in-law V. Sadhashiva Reddy, my uncle V. Saidi reddy, B. Indrasena Reddy, S. Veenugopal, Ch. Raju, Anwer Basha, M. Anushman Reddy B. Srikanth Reddy, A. Sunill kumar Reddy, G. Vineel Reddy, Dr. S. Prabavathi, Dr.
Siddappa Gowrav, G. Sindhur and G. Siddartha, for their patience encouragement and support.

My acknowledgement will remain incomplete if, gratitude to my parents (Late) Mr. B. Musala Reddy, Mrs. B. Ramulamma, brother Mr. B. Satyanarayana Reddy, my sister-in-law Mrs. B. Sandhya and my nephew master B. Karthik Reddy & niece Ms. B. Yasmitha for their timely help, sustained patience, constant encouragement and cheerful cooperation without which the research work would have been far from complete.

I also thank the authorities of Jawaharlal Nehru Technological University Hyderabad, for providing the laboratory facilities and financial support in form of a lecturer without which this would not have seen the light of the day.
