ACKNOWLEDGEMENT

With great pleasure and much indebtedness, I express my heartfelt and sincere gratitude to my research supervisor Dr. (Mrs) C.S. Shyamala Devi, M.Sc., Ph.D., DSc., Professor and Head (Retd.), Department of Biochemistry, University of Madras, for her inspiring guidance, invaluable suggestions and fruitful discussions throughout the course of my research work. It is my earnest duty to express my heartfelt thanks for her personal interest shown towards me for completing this research work.

Words are inadequate to place my sincere and heartfelt thanks to Dr. S. Niranjali Devaraj, Professor and Head, Department of Biochemistry, University of Madras, for her whole hearted compliance throughout the period of my research work.

My profound thanks to Dr. T.Devaki, Reader and Dr. S.Subramanian, Lecturer, Department of Biochemistry, University of Madras, Guindy Campus, for their encouragement and continued support.

Render my unfathomable, special, sincere thanks to Dr. S. Subramaniam, Head, Department of Biochemistry and Dr. Shyama Subramaniam, Consultant Biochemist, Apollo Hospitals, Chennai, who were of immense help and their keen involvement continous encouragement, thoughtful suggestions, unstained support in all aspects paved way for my successful completion.
I am profusely thankful to Dr. Sudhanthiran and Dr. A.J. Vanisree, Lecturers, Department of Biochemistry, University of Madras, Guindy Campus, for their moral support throughout the period of the study.

I extend my sincere thanks to Mr. E. Balamurugan, Lecturer, Annamalai University, Chidambaram for his valuable help in Scanning Electron Microscopic studies.

I am greatly indebted to Dr. Vijayalakshmi, Prof and Head, Dept of Pathology, Madras Medical College, Chennai for processing the histological samples and for her critical comments.

My gratitude also goes to Dr. Gowri Chandrakasan Prof and Head (Retd), CLRI, Chennai for her help during my research period.

My hearty thanks to Dr. K.E. Sabitha, Dr. Johanna Rajkumar and Dr. R. Sivakumar for their immense and timely help during the tenure of this study.

It's a great pleasure to acknowledge Dr. G. Vani for her constant encouragement and pleasant co-operation.

I thank Mr. P.V. Anandh Babu, Mr K. Hari Prasad, Mr. R. Prabhu, Dr G. Manonmani, Mrs. S. Suchalatha, Ms. K. Anbarasi, Ms. G. Rohini, Ms. Mallika Jain, Mr. M. Shahjahan, Mr. P. Srinivasan, Mr. N. Kopperuncholan, Ms Shoba Narayan and Ms. R.S. Devi for their continuous and moral support.

I owe my thanks to Dr. S. Sridharan, Dr. M. Vijayalakshmi, Dr. V Bhavapriya and Dr. S. Devipriya for their timely help and lovable support.
My bountiful thanks goes to Dr. D. Asokan, Mr. I. Maria Johnson, Mr. V. Arul and Mr. V. Kaliyamurthy for their valuable help and constant support during the research investigation.

I wish to acknowledge Mr. Rtn. V. Ravichandran and my friends, Mr. V. Senthil kumar and Mr. K. Dhananjayan and his family and for the help rendered and constant encouragement during the research period.

Words fall short to express my sincere and heartfelt thanks to my seniors, colleagues, friends and juniors for their interest and involvement to complete the task successfully.

I acknowledge my thanks to non-teaching staff of the Department of Biochemistry, University of Madras, for their kind co-operation during the research investigation.

I would like to extend my gratitude towards the Library staff, University of Madras, Guindy Campus. The technical help rendered by Adyar Students Xerox is greatly acknowledged.

Last, but not the least, I wish to thank Vignesh Scientific Consultancy, Chennai, for gifting me with flaxseed oil, without which the study would not have been possible.

(K. Vijaimohan)
