ACKNOWLEDGEMENTS

A guide is a person built up with excellency in knowledge, suggestive with innovations and impressive with novelty. Hats off to my dynamic guide Dr. R. SELVAM, M.Sc., Ph.D., F.I.C.S., Professor and Head, Department of Medical Biochemistry, Dr. A.L.M. Post Graduate Institute of Basic Medical Sciences, University of Madras, Taramani Campus, Chennai - 600113.

A mentor is a person who shapes you to shine. My due respects are to my sculptor, Dr. P. Rajendiran, Professor, Dept. Of Microbiology, Dr. ALM PG IBMS, Taramani, Chennai - 600113.

A teacher is a person who teaches life along with subject. Thanks to my teachers - Mrs. Bagyalakshmi - Biology teacher, Mrs. Annapoorani, Dr. Abitha Devi and Dr. Sadagopan - Biochemistry teachers.

My gratitudes are due to (Retd.) Dr. K. Radha Shanmugasundaram, and all the Staff members of the Dept. of Medical Biochemistry, Dr. A.L.M. PG IBMS, for their warm support throughout my period of work.

My heartfelt thanks are to Dr. M. Kannapiran, Assistant Director, Dept. of Biochemistry, Tuberculosis Research Centre, Chennai, for providing me with all the infrastructural facilities and his kindness.

I am thankful to Dr. M. Michael Aruldhas, Professor, Dept. of Endocrinology and Dr. S.P. Thyagarajan, Professor and Head, Dept. of Microbiology, Dr. A.L.M. PG IBMS, for permitting me to use their laboratory facilities and to their research team for their timely help.

I am also thankful to Dr. C. Jayaraman, Professor and Dr. Chandra, Dept. of Genetics and Dr. Samyuktha, Librarian, Dr. A.L.M. PG IBMS, for providing me with the necessary study materials.
My sincere thanks are to Dr. Niranjali Devaraj, Professor, Dept. of Biochemistry, University of Madras, Guindy campus, Chennai and to Dr. Sujatha Narayanan, Professor, Dept. of Immunology, Tuberculosis Research Centre for providing me to make use of their liquid scintillation counter.

I am grateful to Dr. Mathikaran, Dr. Manoharan, Dr. Muthusethupathy and Dr. Radha Madhavan, Chennai Medical College, Dr. Muthu Jayaraman, Kilpauk Medical College, Dr. Chandrasekharan, Stanley Medical College, and Dr. Rama Mani, Apollo Hospitals, Chennai and their assistants for providing me with the necessary samples for the study.

I wish to extend my gratitude to Dr. Veena K. Parnaiik, CCMB, Hyderabad, for providing me with NLS-albumin and Prof. Howard J. Worman, Columbia University for providing me with Primary biliary cirrhosis sera containing gp210-autoantibodies as gift samples.

Many are passers-by and only few are for life-time. Thanks to all my life-time friends for their moral support, unflinching help and suggestions throughout this piece of work. My special thanks are to Mr. Velmurugan, for all his help rendered throughout the study.

The help rendered by the office staff members Mr. Rajendran, Mr. Dakshinamoorthy and Mr. Anandan, is gratefully acknowledged.

The financial assistance extended by Council of Scientific and Industrial Research Centre, New Delhi, is gratefully acknowledged.

Thanks to my parents and family members for their kind support throughout the study.

R. VIJAYA
