ACKNOWLEDGEMENT

I am very sincerely grateful to my Supervisors Dr. B.L.P. Swami and Dr. A.K. Asthana for their close supervision, invaluable guidance, constant support and personal encouragement which instilled confidence in me to perform better and helped me to overcome the various difficulties encountered during the progress of this work. The discipline and the principles I learned from them will forever be my personal gain which I will cherish in future.

I express my deep sense of gratitude and heartfelt thanks to Dr. B.L.P. Swami and his family for support, incessant inspiration, confidence building and showering abundant affection.

Special appreciation goes to Dr. P. Srinivas Rao, Head of the Civil Engg. Dept., other Professors Dr. M.V. Seshagiri Rao, Dr. Ram Mohan Rao and Dr. B. Dean Kumar for their invaluable suggestions and for providing the necessary lab facilities for carrying out the experimental work.

I express my regards to the Management of Deccan College of Engineering and Technology for permitting me to carry out the PhD work and the members of Darussalam Educational Trust, specially Syed Shah Akbar Nizamuddin Hussaini Saberi and his family for their affection and blessings.
