ACKNOWLEDGEMENTS

First of all, I owe life indebtedness to Almighty GOD! for the wisdom, the strength, blessings bestowed upon me throughout the course of my study and in my life.

Words would not be enough for thanking and conveying my deepest regards and gratitude to my supervisors Prof. Smita Chaudhry and Dr. Subrat Sharma for their generous guidance and encouragement which helped me to work on this challenging subject and to make most of the learning opportunities. I feel extremely grateful to them for extending their precious time and suggestions that helped me to develop scientific approach towards research and in writing of this manuscript.

I thankfully acknowledge respected scientists at GBPNIHESD, Almora (U.K.), namely Drs. Rajesh Joshi, Vasudha Agnihotri, Vikram Negi and Deepa Bisht for their precious kind advice and support on many aspects during my research period. I would like to thank all the lab mates of RSGIS lab, namely Ms. Monika Rawat, Ms. Arti Joshi and fellow colleagues Drs. Surajit Dutta, Sandeep Soni, Gunjan Joshi, Jahnvi Mishra Rawat and Bhawana Kapkoti for a fabulous company and encouragement.

I am highly indebted and thoroughly grateful to Dr S. S. Samant, Head, GBPNIHESD, Kullu unit (H.P.) for his timely support in providing me with materials and sources that I could not possibly have discovered on my own during the research study in Kullu. I would like to extend my sincere thanks to Dr. Aman Sharma, Mr. Nishant Vaidya, Mr. Satish Sinha for their technical suggestions during my research pursuit. I would also like to thank Mr. Karam Dass Thakur, Ms. Kaushalya, Ms. Shakuntala, Ms. Nidhi, Ms. Rosy for their company during various field studies in Himachal.

I acknowledge with thanks the kind of patronage and timely guidance I received from Mr. Lobzang Psultim (LEDeG director), and the project coordinators at LEDeG- Mr. Thinlay Dorjay, Mr. Mohd. Ali for their help in conducting field studies in Ladakh. I would also like to appreciate the hospitality local villagers had extended during my stay in the villages in Leh and Kargil districts.

It is interesting to be part of a peer group which share a common discipline. Thank you Drs. Vandana Sharma, Priti Attri, Jyoti Malik, Pooja Arora Sharma and Bhawna Dahiya, Anuradha and all the staff of Institute of Environmental Studies, KUK for their positive outlook and enthusiastic support. I would also like to extend my heartfelt thanks to my roomies in the University hostel Ms. Jyotee Kadyan and Ms. Pinki for a wonderful and helping nature.

Words would not be enough to thank people who were angels and helped me selflessly during my field studies and in collection of data from various sources.

To my friends and family, I won’t be this strong without you all as my inspiration – to my loving sisters Er. Aparna Bisht, Ms. Purnima Bisht; My brother- Er. Shashank Bisht and of course to my beloved parents! You are the reason I was able to keep faith on me and was able to face all the struggles and hardships.
