1. B Muralidhara, A. Ramachandran, R. Srinivasan, M Channa Reddy
   “Experimental analysis of Common Mode Voltage in 5-level Inverter Fed 3-Phase Induction Motor” submitted to international journal of energy and power Engineering (IJEPE) USA, after IEEE Vehicle Power and Propulsion Conference (VPPC-2011) at Chicago, USA. During September- 6th to 11th 2011 based on their request for publication in the journal.

2. Sharana Reddy, B. Muralidhara, H.D.Kattimani, Dr. B. Basavaraja
   “Simulation and Experimental Comparison Between SPWM and SVPWM Techniques for Common Mode Voltage, Shaft Voltage and Bearing Current in Inverter Fed Induction Motor Drive” accepted to 6th International Conference on advanced Computing and Communication Technologies (ICACCT-2012) sponsored by IEEE Computer Society Chapter Delhi Section and IETE-India, to be held at Asia Pacific Institute of Information Technology SD India, Panipat (Haryana) on 3rd November 2012.
