ACKNOWLEDGEMENTS

I heart fully acknowledge the scholarly guidance and continuous support and monitoring of Dr. A. RAMACHANDRAN, Professor, department of Electrical and Electronics Engineering, Jayam college of Engineering and Technology, Dharmapuri, former Principal Vemana Institute of Technology, Koramangala, Bangalore. He has accepted me as a research student, advising and supporting at various stages, spared his precious time during his busy schedule both in working days as well as weekends for experimentation and discussions without his help I would not have completed the research work.

I great fully acknowledge the scholarly guidance and continuous support of Dr. R. Srinivasan H.O.D, R and D Cell, Vemana Institute of Technology, Koramangala, Bangalore.

My sincere and heartfelt thanks to Dr. M.C.Reddy, Director, Vemana Institute of Technology, Koramangala, Bangalore, for his continuous support as well as providing all infrastructural laboratory facility to carry out the work.

My sincere thanks to Professor V. Keshava Murthy, Former Chairman, Department of Electrical Engineering, UVCE, Bangalore University, Bangalore for his guidance and support.

My sincere thanks to all the members of the management of Karnataka Reddy Jana Sangha, Bangalore for providing an extensive support in carrying out the project.
I sincerely thank Dr. S. Venkateshwaran, Principal, BMS Institute of Technology (BMSIT), Bangalore for his constant encouragement in completing the research work successfully.

My heart-felt thanks to Dr. T.C. Balachandra, H.O.D EEE, BMSIT, Bangalore for being a mentor all the time.

I thank all the authorities of BMSIT for their continuous support to carry out the work.

I thank my colleagues H.D. Kattimani, Vanishree, Jagadeesh, Prashanth, Anusha, Jayashree, Pradeepa, Suma, Manjula, Sahu, Ullas and my brothers B. Ramesh and B. Mohan for their help during the research work.

I am deeply indebted for the sustained love and affection and constant support given to me by my father Sri. H.N. BHOJARAJ and mother Smt. PADMAVATAMMA.

My affectionate wife Smt. Gomathi and daughter Harini. M. has helped me by sparring their valuable time for doing this research work and I am very much thankful to them.
