ACKNOWLEDGEMENTS

This work would not have been completed without the cooperation and support of my supervisor, Prof. R.K. Jain. I express my sincere gratitude to Prof. R.K. Jain for his patient and able guidance, valuable comments and encouragement despite his busy schedule. I am also grateful to Prof. H.S. Chopra, former Chairman, CAWES/SIS for inspiring me to choose this topic and constantly encouraging me in my academic pursuits.

I wish to thank my colleagues in Mangalore University, in particular, Prof. Valerian Rodrigues, Dr. Rajaram Tolpady, Dr. T.N. Shridhar, Dr. Mallikarjunappa and Mr. Mallaiah for their encouragement in completion of my work. I am extremely grateful to my wife, Mrs. Prithwi and my son, Nidarsh Prajay who had to bear the deprivation of all sorts during my research period, yet they constantly encouraged me to study and created the right kind of environment for work.

I am also obliged to my friends – Pundarik, Ivan Lobo, Krishna Shenoy, Anil Shetty, Anjani Gowda, Shreejay Sinha, Parivelan and Dinesh Saluja for their help at different levels during the course of my work. In particular, two of my friends, Sona K. and Isha Verma took lot of trouble in helping me and without their cooperation and help research work in Delhi would have become extremely difficult. I sincerely thank them for their ungrudging support.

I recall with gratitude the cooperation and the assistance extended to me during the course of my research work by the staff of office of CAWES/SIS, JNU Library, EU delegation office, Parliament House Library, IDSA, ICWA, RIS, SDC, New Delhi; Salzburg Seminar Institution, Salzburg; and RCSS, Colombo. Mr. Suresh Chander and Mr. K.K. Dutta, Assistant Director, Parliament House Library, New Delhi were, in fact, very kind and generous in helping me and I am grateful to them. In spite of all the support extended to me by many, the responsibility for any error in this work is exclusively mine.
