Acknowledgement

The completion of this thesis has been one of a learning experience, the values of which cannot be measured quantitatively. The efforts put up by me would not have been fruitful, if it were not for the people around me at all times.

No amount of gratitude can be sufficient for the valuable suggestions, patient hearings and persuasive guidance of Prof. Kuldeep Mathur, which has gone a long way in shaping this thesis. It is his generosity in granting excuses that made this thesis possible.

I would like to express my sincere thanks to Prof. S.N. Jha, Prof. Balveer Arora, Dr. Francis and other faculty members and staff for their guidance and support during my stay in the Centre.

This endeavour of mine is result of invisible presence of my big-brother Prof. S.R. Hawlader (Dhaka University, Bangladesh) and immediate presence of tau Attar Singh at the gate of Brahmaputra Hostel (JNU). I am deeply indebted to them.

I owe my gratitude to Dr. Kamlakar Singh (UGC, Bhopal), Prof. P.P. Vashisth (CDC, Vikram University, Ujjain) and Prof. D.C. Patidar (Expert) for apart from their official capacity; they helped and encouraged me in getting UGC – Teacher Research Fellowship for completion of my Ph.D.

Special thanks to Sri. K.C. Gupta (Collector, Shajapur), Sri. Navneet Dubey and Sri. Vinod Sharma (MPEB, Bhopal) for providing me much needed help and timely break.

No amount of words will be able to express my gratitude towards my Principal, Colleagues and Staff of B.S.N. Govt. P-G College, Shajapur (M.P.) for encouragement, support and ‘telephonic-tonic’ during my stay in JNU.

Prof. V.K. Jain (SES), Prof. Anand Kumar (CSSS), Prof. Ghanshyam Shah (CSSMCH), Dr. RK. Deepak Singh (CEL, WWF-India) and Dr. S. Reddy (Legal Cell, MEA) helped and encouraged me immensely. I salute them.
