ACKNOWLEDGEMENTS

With great pleasure, I would like to express my gratitude to all who have contributed to this thesis.

First, I would like to thank God for the immense blessings and help provided to me throughout my life.

I express my acknowledgement to, **Prof. (Dr.) Aditya Shastri**, Prof. & Vice Chancellor, Banasthali University, Banasthali (Raj.) India, for giving me the opportunity to do research and providing the resources of the University.

I would like to express profound gratitude to my research guide, **Professor (Dr.) Reena Dadhich**, Prof. & Head, Department of Computer Science and Informatics, University of Kota, Kota (Raj.), India for their enthusiastic encouragement, valuable guidance, constant support and patience during the whole research. I am greatly indebted to the many discussions we had on the research work. I consider myself fortunate to have worked with her.

I would like to express profound gratitude to my research co-guide **Dr. Narendra Yadav** Associate Professor, Department of Computer Science, Engineering, JECRC University, Jaipur (Raj.), India for their enthusiastic encouragement, valuable guidance, constant support and patience during the whole research. I am greatly indebted to the many discussions we had on the research work. I consider myself fortunate to have worked with him.

I take this opportunity to sincerely acknowledge **Dr. C. K. Jha**, HOD, Department of Computer Science, Banasthali University for the support and guidance.
I take this opportunity to sincerely acknowledge the Department of CSI, University of Kota and entire Amity University Rajasthan family for providing me with the support and resources for my research.

Words cannot express how grateful I am with my mother, father, two Brothers, Sisters-in-law, niece and nephews for the sacrifices and efforts that they have made on my behalf. Their prayer for me was what sustained me thus far. I also thank my friends and students for providing support and help that I needed.

At last, but more importantly, I extend my appreciation to my wife Smriti, and son Suvigya for their continuous motivation, sacrifice, love and advice in my life.

If I do not mention someone’s name here, it does not mean that I do not acknowledge their support and help. Again, I would like to thank everyone who has supported and helped me during my research, directly or indirectly.
