ACKNOWLEDGEMENT

An ambitious project of Ph.D, at the threshold of submission would be worthless without mentioning the guiding spirits and inspirational figures throughout the crucial journey of my research activities. The continuous encouragement, advice and deeply concerned dossiers till the submission are obtained to make this happen will remain engraved never to be erased in life time. At the very outset I would like to mention Dr. Itishri Sarangi, the supervisor whose incessant guidance, inspiration, technical support and blessings upon me during the entire project will remain memorable forever. I am really grateful to her.

I acknowledge my gratitude for the untiring support and academic guidance of Dr. Jitendra Narayan Pattnaik, a veteran and renowned academician without him the thesis would not have been a reality. I am also grateful to Dr. Manoj Kumar Mishra, Ex Principal and HOD, Salipur College, Salipur who have provided wholehearted support in my difficulties.

I am greatly indebted to my family members for their unwavering support and cooperation in the journey to achieve and materialize my aspiration. Especially my elder brother’s relentless effort and encouragement is unsurpassable to others. I would like to thank my wife and son who have given their needful cooperation in time. I owe a lot to my parents who left their lap opened, encouraged and helped me at every stage of my personal and academic life. My father-in-law and Mother-in-law stood by me in tough times for which I would like to thank them.

Authorities, Principal and faculty members of my Institute, Kalinga Institute of Social Sciences (KISS), Bhubaneswar have been very kind enough to extend their help at various stages of my research whenever I approached them and I do hereby acknowledge all of them.
No research is possible without the library, the centre of learning resources. I take this opportunity to express my gratitude to all staff of Central Library, KIIT University, Bhubaneswar and Parija Library, Utkal University, Bhubaneswar.
