ACKNOWLEDGEMENT

At the outset I express my deep gratitude to Dr. H.K. Patra, Ph.D., Professor of Botany, Utkal University, Bhubaneswar for his able guidance, kind help and constant encouragement throughout my research work and preparation of the thesis. I am also very much grateful to late Dr. B.P. Choudhury, Ph.D., D.Sc., F.N.E.S.A., Ex-Professor of Botany, Utkal University without whom my work could not be completed.

I am very much thankful to Dr. H.N. Subudhi, Senior Scientist, CRRJ, Cuttack for rendering necessary help and cooperation during the entire period of my research work. Indebted thanks are due to the Head of the department, P.G. Department of Botany, Utkal University, Bhubaneswar for providing laboratory and library facilities.

Thanks are due to Dr. S. Misra, D.Sc., Orchidologist, Orissa for his constant encouragement as well as valuable suggestions.

I express my deep sense of gratitude to my family members for their kind help and co-operation.

Thanks are due to my research colleagues for their selfless cooperation, help and encouragement. I am also thankful to the authorities of Botanical Survey of India, Kolkata for providing necessary helps to consult the herbarium specimens.
