ACKNOWLEDGEMENT

Out of deep feelings of indebtedness I take this opportunity with pride and pleasure to extend my sincere gratitude and profound thanks to my revered supervisor Professor P.S. Ramakrishnan, F.N.A., F.A.Sc., F.N.A.Sc., Professor of Ecology, School of Environmental Sciences, Jawaharlal Nehru University, New Delhi, whose able guidance, learned counsel and scintillating suggestions in garnishing this study.

I am thankful to Professors Dr(Mrs) A. Mukherjee, V. Asthana, L.K. Pandey and C.K. Varsheny, the former and present dean for providing necessary facilities. I am also thankful to Dr. Briji Gopal for helping me in various ways.

My grateful thanks are also due to Mr. Hillary Raj, Senior Research Officer, Environmental Research Station (E.R.I) Ooty, for providing the lab, field assistance and his timely help in many ways. I am also grateful to the other officials in this research station for their valuable help. My thanks to Dr. Jasbir Singh, SRO, FRI, Jorhat, (earlier in FRI, Coimbatore) for his valuable timely help in many ways to complete my field work.
I am grateful to Mr. Kailasam, the Joint Director, Mr. Abdul Hakim, Assistant Agricultural Chemist, Vijayanagara Farm, Ooty; Dr. Pruchothaman, Dept. Head, Microbiology and Dr. Rani, Soil Science Department, T.N.A.U., Coimbatore for providing the lab and other necessary facilities to complete the immediate chemical analysis.

I like to express my profound thanks to Additional Chief Conservator Dr. J. Jhon of Tamil Nadu, Dr. Chithrappoo, the Chief Conservator and Mr. Ramanathan, DFO, Nilgiri zone for their timely help during my field study.

I am also thankful to Dr. K. Paliwal, Reader in plant science, M.K. University, Madurai for providing me all the lab facilities to complete the analysis. I thank his students particularly Mr. K. Karunaichamy, who devoted his valuable time in analysing the samples, and other friends (Dr. K. Natarajan, D. Kannan, M. Ilangovan and Ramamoorthy) in M.K. University for their timely help and co-operation.

My grateful thanks are due to Dr. J. M. Julka, Scientist, High Altitude Zoological Survey of India, Solar for identifying earthworm specimens.

My thanks are also due to officials, Botanical Survey of India, T.N.A.U., Coimbatore for identifying the plants.
I am particularly thankful to Dr. P. Sudhakarswamy, Lecturer in plant science, M.K. University for his help and valuable suggestions during the investigation.

Thanks are due to my colleagues and all my friends particularly Ms. Poonam, Krishnan, Gargi, Dr. Patnaik, Thungabadra, Roopa Sarma and Shobna for their valuable help and moral support during the course of my thesis preparation.

I place my deep sense of gratitude and indebtedness to my mother, father, brother and sisters, for their dedicated and enervative efforts to confer the greatested boon of education and continuous encouragement to complete this task. Their patience and confidence in me will be remembered with gratitude. I am also grateful to Mr and Mrs. N. Subramanian and Mr and Mrs. D. Thyageswaran.

I shall be failing if do not thank P. M. Anand for his neat and excellent typing.

Last but not the least, I express my thanks to the UGC and JNU, for their financial support which facilitated this work.
