ACKNOWLEDGEMENTS

I wish to place on record my foremost gratitude and appreciation for thought provoking ideas of my Guide, Dr. P. Sita Rami Reddy, Professor of Zoology, Madras Christian College (Autonomous), Tambaram, Madras-59. His constant encouragement and valuable suggestions enabled me to investigate successfully the growth and intricate aspects of hatchery designs in the maritime states of India.

My sincere and deep sense of gratitude are due to Dr. P. V. S. N. Raju, (Ocean Engineer, IIT, Madras), Managing Director, Maritec Consultants (I) Pvt. Ltd., Madras - 86, for the constant encouragement and opportunity he had rendered to collect data of various hatcheries in India.

I am grateful to several organisations, viz., Marine Products Exports Development Authority (MPEDA), Cochin, The Shipping Credit Investment Corporation of India Ltd. (SCICI), Hyderabad branch, Bay of Bengal Programme (BOBP), Madras and National Institute of Human Resources Development (NIHRD), Madras, for their support during the course of my investigation.

I am indebted to Mr. P. Elangovan, CAD Engineer, Maritec Consultants (I) Pvt. Ltd., Madras for his invaluable help in computerised drawings.
I wish to thank Mrs. S. Parvathavardhini, Civil Engineer, Mr. I. S. Sekar, Mechanical Engineer and Mr. C. Charles, Electrical Engineer, Maritec Consultants (I) Pvt. Ltd., Madras - 86, for their valuable suggestions rendered in engineering designs during the course of my investigation.

My thanks are also due to Mr. K. Krishna Kumar, Research Scholar, Dept. of Zoology, Madras Christian College, Tambaram, Madras-59 for his help extended during the course of my project work.

Finally, I would like to thank my mother and wife for their constant encouragement and perseverance.
LIST OF FIGURES

1. Jetty System.
2. Seawater intake system - Pipeline infiltration gallery.
3. Seawater intake system - Concrete infiltration gallery.
4. Seawater intake system - Siphon system with pipelines.
5. Slow Sand Filter.
6. Chlorine dozer.
7. Square tanks of M/s Claswin, Madras, Tamilnadu.
8. Pipeline routing of M/s NAEL, Nellore, Andhra Pradesh.
10. Indigenous device to count shrimp seeds.
11. PVC sheets covering the larval tanks of M/s Balaji Bio-tech, Nellore, Andhra Pradesh.
12. Hatchery complex of M/s OSSPARC, Gopalpur, Orissa.
14. FRP tank in maturation section of M/s OSSPARC Hatchery, Orissa.
15. FRP Spawning tanks of M/s OSSPARC Hatchery, Orissa.
16. Flow through system in hatching section of M/s OSSPARC Hatchery, Orissa.
17. Oval FRP-larval tanks of M/s OSSPARC Hatchery, Orissa.

18. Outdoor rectangular concrete post-larval tanks of M/s OSSPARC Hatchery, Orissa.

19. Earthen ponds for post-larval rearing in M/s OSSPARC Hatchery, Orissa.

20. Outdoor algal cylinders of M/s OSSPARC Hatchery, Orissa.

21. Logistic support of M/s OSSPARC Hatchery, Orissa.

23. Maturation tanks of M/s TASPAC, Andhra Pradesh.

24. Indoor algal culture of M/s TASPAC, Andhra Pradesh.

27. Main Hatchery building of M/s Veerat Aqua-tech Ltd.

28. Maturation tanks of M/s Veerat Aqua-tech Ltd.

29. Post-larval tanks of M/s Veerat Aqua-tech Ltd.

30. Seawater intake Jetty system of M/s NCCBPL, Nakkapalli, Andhra Pradesh.

31. Seawater intake - Pumping of water in the open channel of NCCBPL, Andhra Pradesh.

32. Circular reservoir of M/s NCCBPL, Andhra Pradesh.

33. Hatchery Complex of M/s NCCBPL, Andhra Pradesh.
34. Maturation tanks of M/s NCCBPL, Andhra Pradesh.

35. Concrete larval tanks of M/s NCCBPL, Andhra Pradesh.

36. Aeration by Lead keel tube of M/s NCCBPL, Andhra Pradesh.

37. Roof with translucent sheet in the larval section of M/s NCCBPL, Andhra Pradesh.

38. Post-larval tanks of M/s NCCBPL, Andhra Pradesh.

39. Outdoor algal section of M/s NCCBPL, Andhra Pradesh.

42a&b. Reservoirs of M/s NAEL, Nellore, Andhra Pradesh.

43. Tower tank for storing seawater of M/s NAEL, Andhra Pradesh.

44. Slow sand filter of M/s NAEL, Andhra Pradesh.

45. Hatchery complex of M/s NAEL, Andhra Pradesh.

46. Maturation tank of M/s NAEL, Andhra Pradesh.

47. Drain pit of M/s NAEL, Andhra Pradesh.

48. Roof with translucent sheet in larval section of M/s NAEL, Andhra Pradesh.

49. Outdoor post-larval tanks of M/s NAEL, Andhra Pradesh.

50. Outdoor Algal tanks of M/s NAEL, Andhra Pradesh.

51. Artemia tanks of M/s NAEL, Andhra Pradesh.

53. Seawater intake system - Pipeline supported by Casurina Poles in M/s Pioneer Aqua Farms Pvt. Ltd., Tuticorin, Tamilnadu.

55. Seawater intake system - Pipelines laid at sub-sand level of M/s Giridhar Foods Ltd., Ramnad, Tamilnadu.

59. Larval section of M/s Giridhar Foods Ltd., Tamilnadu.

60. Transfer pumps for pumping seawater to hatchery complex of M/s Giridhar Foods Ltd., Tamilnadu.

62. Generator for power supply of M/s Giridhar Foods Ltd., Tamilnadu.

64. Packing section of M/s Giridhar Foods Ltd., Tamilnadu.

67. hatchery complex of M/s Aqua Plaza Pvt. Ltd., Trichur, Kerala.

68. Hatchery complex of M/s MPEDA, Cochin, Kerala.

69. Circular maturation tanks of M/s MPEDA, Kerala.
70. Sump in the maturation tank of M/s MPEDA, Kerala.

71. Spawning section of M/s MPEDA, Kerala.

72. Spawning room of M/s MPEDA, Kerala.

73. Cylindroconical FRP larval tanks of M/s MPEDA, Kerala.

74. Rectangular post-larval tank (Brick wall) of M/s MPEDA, Kerala.

75. Aeration through PVC pipes in PL tank of MPEDA, Kerala.

76. Indoor algal section of M/s MPEDA, Kerala.

77. Fluorescent lights and its arrangement for indoor algal culture in M/s MPEDA, Kerala.

78. FRP Artemia tanks of M/s MPEDA, Kerala.

79. Oil compressor used during power failure in M/s MPEDA, Kerala.

80. Laboratory of M/s MPEDA, Kerala.

81. Hatchery complex of M/s CIBA, Narakal, Kerala.

82. Maturation tank with filtration-cum-recycling system of M/s CIBA, Kerala.

84. Hatchery complex - Kumta Shrimp Hatchery, Kumta, Karnataka.
LIST OF TABLES

2. Technological variations observed in the various hatcheries of India.
3. State-wise list of the various hatcheries in India with their production capacities.
4. Status of shrimp hatchery development in India.
5. State-wise details of the various capacities of hatcheries of India.
6. State-wise details of the various technologies adopted by the hatcheries of India.
