AKNOWLEDGEMENTS

I wish to express my deep sense of gratitude to my honorable guide Dr. D. R. Kanaujia, Principal Scientist, Central Institute of Freshwater Aquaculture (CIFA), Kausalyaganga, Bhubaneswar, Orissa for suggesting the research topic as well as his unfailing guidance, unceasing supervision, stimulating discussion, constructive criticism and courteous treatment during the tenure of the study and preparation of the manuscript.

I express my indebtedness and heartfelt thanks to my Co-guide Dr. A. N. Mohanty, Technical Officer (T-7), Central Institute of Freshwater Aquaculture (CIFA), Kausalyaganga, Bhubaneswar for critically reviewing the manuscript, adding valuable technical suggestions with their expertise and prolong experience in the area of my research.

I am grateful to Ex-Director Dr. C. Saha and present Director Dr. N. Sarangi, Central Institute of Freshwater Aquaculture (CIFA), Kausalyaganga for providing all necessary facilities throughout the study period.

I wish to express my deep sense of gratitude to Dr. B. K. Das, Senior Scientist, pathology Division and Dr. Radheshyam, Senior Scientist, Prawn Division, Central Institute of Freshwater Aquaculture (CIFA), Kausalyaganga, Bhubaneswar for their encouragement and valuable guidance.

My profound thanks are also due to Dr. A. K. Roy, Head Computer Division, Dr. Kuldeep Kumar, Senior Scientist, Pearl Division and Dr. (Mrs.) Utkal Laxmi Mohanty, Technical Officer Prawn Culture Unit, CIFA, for their encouragement, helps during the course of study and preparation of the manuscript.

I am highly obliged to Ms. Prasanti Mishra, Senior Research Fellow of Prawn Culture Unit, for her help and support to carry out the research work. Valuable help and assistance provided by Mr. S. Mohanty, Librarian, CIFA, Bhubaneswar is greatly acknowledged.

I am highly obliged to all the staff members Govinda, Nishmani, Pradeep, Chhattu, Gundu, Sanjaya, Kalia, Dipu, Gundu, Shrikant of CIFA Bhubaneswar for their assistance and support being extended during the period of work.
I thankfully acknowledged to all of my co-research workers and friends, Ms. Manisha Mohanty, Mrs. Jayalaxmi Mohapatra, Rubu, Suman, Suday with whom I have shared my feelings.

My sincere gratefulness and regards to Mrs. Savirti Kanaujia for her emotional support, motherly affection indescribable helps in many ways. At the same time, I extend my deep sense of appreciation, love and thankfulness to Kamala didi, Raju bhaiya, Lipi bhabhi, Gudia, Guddu and Jolly for their helps moral support during the preparation of manuscript.

I owe much more than I can to my beloved brother Bipulendu bhai, sister Neelu and sister-in-laws Rama, Radha, Patima, Laxmi, Mamta, Babita, and Rashmi, whose sincere wishes and support has enabled me to accomplish this work.

I bow down my head before my esteemed father-in-law and mother-in-law shri Kumar Sethi and Smt. Kanak Lata Sethi, My lovable parents Shri, D.N. Soni and Smt. Usha Soni who with all relevance and veneration made heavenly sacrifice and courageous dedication in the evolution of this personality. I still seek their blessings for all the time to come.

At last but not least I express my love and high appreciation to my beloved husband Dr. Satyanarayan Sethi, Scientist, Central Agriculture Research Institute (CARI), Port Blair, Andaman, for his endurance, dedication and moral support while carrying out the research work. It has contributed in a big way to complete my research task.
