Balachandra, ARD-RARS, Pattambi, Dr. Anmee Koruth, Rice Research Station, Moncompu, Dr. Reena Mathew, Kerala Agricultural University and Acharya N.G. Ranga Agricultural University research stations for their cooperation and providing useful data, suggestions at various stages of my research work.

I feel short of words in expressing my ever indebtedness towards my respected parents and other family members whose lively inspiration and eternal bliss proved to be my strong feather against all currents. Their blessings and affections can not be reciprocated in words but are to be felt. The source of affection, moral support, encouragement and inspiration received from my wife Dr. K. Madhavi Latha which goes a long way in shaping up my scientific career.

I affectionately acknowledge the help and encouragement that I received from my colleagues in Agriculture & soils group, NRSA, Hyderabad.

I wish to extend my thanks to one and all those who have contributed even in a small way in the completion of my research work.
