LIST OF TABLES

2.1: Literature Review Summary Table 26
4.1: Comparison between traditional learning and e – learning 74
4.2: Comparison of old e – learning models and cloud base e-learning models 75
4.3: Key benefits of Cloud based in e-learning Computing 76
4.4: Challenges for e-Learning Cloud Computing 77
4.5: Cost-effectiveness of e-learning based on cloud computing 80
4.6: Cost Comparison between Traditional vs Cloud Computing Environment (for 100 Terminals) 80
5.1: Data Evaluation sheet in eLC model 91
5.2: Activity Evaluation sheet in eLC model 92
5.3: Selection of cloud model for eLC framework 93
6.1: Identification of Cost drivers that will affect the Cost analysis 125
6.2: Cost of Traditional Workstations 127
6.3: Running/ Annually Cost 129
6.4: Fixed / One Time /Initializing Cost) (Rented from the IAAS provider) 130
6.5: Running Cost - Pay as you go 130
