ACKNOWLEDGEMENTS

I am very much thankful to my Internal guide, Prof. I.V.Murali Krishna, Professor and Former Director, Research and Development Cell, JNT University and presently Head CSIT, Rajiv Gandhi Institute of Technology, Nandyal and Adjunct Professor, Asian Institute of Technology, Bangkok, Thailand for his affable and amicable guidance and valuable suggestions in the research work. His continuous motivation, comprehensive visionary guidance was a driving force for me in completing the research work.

I am very thankful to my External guide, Dr. Shaik Rustum, Principal, Brilliant Institute of Engineering and Technology, Hyderabad for his continuous encouragement and support throughout the course of research work.

I would also like to thank Prof. D. Ram Mohan Rao, Associate Professor, Muffakham Jah College of Engineering and Technology, Hyderabad for his kind co-operation during my research work.
I gratefully acknowledge the help received in this work from Prof. B. Satyanarayana, Former University Librarian, JNT University, Hyderabad and presently Chief Librarian, Muffakham Jah College of Engineering and Technology, Hyderabad.

I wish to thank Prof. Moinuddin Ahmed, H.O.D and other colleagues in the Dept. of Civil Engg., Muffakham Jah College of Engineering and Technology, Hyderabad for their co-operation.

I would also like to express my sincere thanks to the Principal and the Management of MJCET, Hyderabad for providing a congenial working environment.
