3.10 Diagram showing the percentage wise area

Break-up of LU/LC for the year 2000 39

3.11 Diagram showing the percentage wise area

Break-up of LU/LC for the year 2007 39

3.12 Urban sprawl map for the study area of Hyderabad (1980-2007) 41

3.13 Diagram showing the generated percentage wise area break-up of LU/LC for the year 2010 51

3.14 Diagram showing the projected percentage wise area break-up of LU/LC for the year 2020 52

4.1 SOI Toposheet for the study area of Serilingampalli Municipality 55

4.2 SOI Toposheet for the study area of Alwal Municipality 56

4.3 Image for the study area of Serilingampalli Municipality IRS 1C (LISS III) 57

4.4 Image for the study area of Alwal Municipality IRS 1C (LISS III) 58

4.5 Thematic map for the road network of Serilingampalli municipality 60
4.6  Thematic map for the road network of

Alwal municipality 61

4.7  Thematic map for the built-up area of

Serilingampalli Municipality 62

4.8  Thematic map for the built-up area of Alwal

Municipality 63

4.9  Thematic map for the water bodies of

Serilingampalli Municipality 64

4.10 Thematic map for the water bodies of Alwal

Municipality 65

4.11 LU/LC map for the study area of Serilingampalli,

2007 67

4.12 LU/LC map for the study area of Alwal, 2007 68

4.13 Diagram showing the LU/LC details of

Serilingampalli Municipal area 70

4.14 Diagram showing the LU/LC details of

Alwal Municipal area 71

4.15 Hyderabad Urban Agglomerations

(Census data 1901-2001) 73
4.16 Google earth’s image for Nehru Nagar of Serilingampalli municipality, 2000

4.17 Google earth’s image showing conversion of open space to built-up area in Nehru Nagar of Serilingampalli municipality, 2010

4.18 Google earth’s image for Sai Nagar of Alwal municipality, 2000

4.19 Google earth’s image showing conversion of open space to built-up area in Sai Nagar of Alwal municipality, 2010

4.20 Pie-Diagram representing the percentage wise LU/LC details of Serilingampalli, 2010

4.21 Pie-Diagram representing the percentage wise LU/LC details of Alwal, 2010

4.22 Attributed reclassified grid map for road network of Serilingampalli municipal area

4.23 Attributed reclassified grid cells for road network of Serilingampalli municipal area

4.24 Attributed reclassified grid map for road network of Alwal municipal area
4.25 Attributed reclassified grid cells for road network of Alwal municipal area

4.26 Attributed grid map for built-up area of Serilingampalli municipal area

4.27 Attributed grid map for built-up area of Alwal municipal area

4.28 Google earth’s image showing the surrounding areas of Chanda Nagar Cheruvu, 2000

4.29 Google earth’s image showing the surrounding areas of Chanda Nagar Cheruvu, 2010

4.30 Photograph of Chanda Nagar Cheruvu with surrounding growth impact

4.31 Google earth’s image showing the surrounding areas of Alwal cheruvu, 2000

4.32 Google earth’s image showing the surrounding areas of Alwal cheruvu, 2010

4.33 Photograph of Old Alwal lake filled with Construction debris and other pollutants

4.34 Attributed grid map for water bodies of Serilingampalli municipal area
4.35 Attributed grid map for water bodies of Alwal municipal area 113

5.1 Projected percentage wise area break up diagram for LU/LC of Serilingampalli and Alwal municipalities, 2020 121

5.2 Buffered grid map for the center of road vs the neighborhood effect to the proximity of urban growth-Serilingampalli 124

5.3 Buffered grid cells for the center of road vs the neighborhood effect to the proximity of urban growth-Serilingampalli 125

5.4 Buffered grid map for the center of road vs the neighborhood effect to the proximity of urban growth-Alwal 129

5.5 Buffered grid cells for the center of road vs the neighborhood effect to the proximity of urban growth-Alwal 130

5.6 Buffered grid map for the built-up area of Serilingampalli municipal area 135

5.7 Buffered grid map for the built-up area of Alwal municipal area 139
5.8  Buffered grid map for water bodies of Serilingampalli municipal area

5.9  Buffered grid map for water bodies of Alwal municipal area

6.1  Weightage factors to the factors considered for growth pattern, 2020

6.2  Diagram representing Road Network vs Impact factor, Serilingampalli-2010

6.3  Diagram representing Built-up area vs Impact factor, Serilingampalli-2010

6.4  Diagram representing water bodies vs Impact factor, Serilingampalli-2010

6.5  Diagram representing road network vs Impact factor, Alwal-2010

6.6  Diagram representing Built-up area vs Impact factor, Alwal-2010

6.7  Diagram representing water bodies vs Impact factor, Alwal-2010
6.8 Diagram representing projected growth factors for transportation road network of Serilingampalli Municipality

6.9 Diagram representing projected growth factors for Built-up area of Serilingampalli municipality

6.10 Diagram representing projected growth factors for Water bodies of Serilingampalli municipality

6.11 Diagram representing projected growth factors for Transportation road network of Alwal municipality

6.12 Diagram representing projected growth factors for Built-up area of Alwal municipality

6.13 Diagram showing projected growth factors for Water bodies of Alwal municipality

6.14 Diagram representing Percentage wise growth impact for 2020 with projected growth scenario of Serilingampalli and Alwal municipalities

6.15 Reclassified normalized grid map of Serilingampalli municipality

6.16 Reclassified normalized grid cells for a part of Serilingampalli municipal area
6.17 Reclassified normalized grid map of Alwal Municipality

6.18 Reclassified normalized grid cells for a part of Alwal municipal area
