I have been doing my Ph.D. under the guidance of Associate Professor of Gujarat Vidhyapith Dr. Aratee V. Patel. My ph.D thesis entitled Effectiveness of Expression Skill Development Programme in English for Pre-Service Student Teachers.

An experimental design is selected by researcher for the present study. Prior to the experiment there is a need to equalize the groups. To fulfil the purpose I have constructed achievement test in English as a tool. Herewith I am sending you the test to get your valuable suggestions as a teacher of English. It will help me to revise it and make it valid.
