ACKNOWLEDGEMENTS

At the outset, I would like to place on record my deep sense of thankfulness to Gujarat Vidyapith - Ahmedabad, for considering me capable of taking-up this Research Work and permitting me to get myself enrolled there for.

Credit for accomplishment of any major project always goes to all those who whole-heartedly offer their admirable, valuable and remarkable contribution for facilitating the project to take shape! How can this Research Work of mine be an exception thereto? It's indeed the result of praiseworthy endeavours of so many individuals, the aggregate volume of whose efforts may perhaps be much higher than that of my own!

To begin with, I would like to express my deep indebtedness to my learned guide Dr. S. O. Junare - Director, National Institute of Co-operative Management; Gandhinagar and an Eminent Academician. But for his inspiration, guidance and active support, I would have hardly dared to venture into this wide field. The duration of my association with him, for the purpose, would be one of the most memorable span of my life, which I will ever cherish. From the bottom of my heart, I express my profound gratitude to him.

During the entire period of this Research Work, I had to often meet (and at times, disturb also!) Dr. Rajiv Patel - Director, Centre for Rural Management; Gujarat Vidyapith - Randheja. He always extended helping hand with smiling face. His noble approach and encouraging tips went a long way in boosting-up my spirit even in odd times. I express my heartfelt gratitude to him for all his generous endeavours in enabling me to complete this voluminous task.

With due sincerity, I acknowledge obligation of Late Shri P.S. Patel - the then Managing Director, The G.S.C. Bank Ltd; Shri H.P. Ganatra - the then Managing Director, The G.S.C.A.R.D. Bank Ltd; Shri K.R. Thaker - the then General Manager, The Ahmedabad
D.C. Bank Ltd; Shri C.N.Tarpara - General Manager, Shri Rajkot D.C. Bank Ltd; Shri I.C.Mahida - Managing Director, The Surat D.C. Bank Ltd; Shri H.P.Nayak - Chief Executive, The Sabarkantha D.C.C. Bank Ltd; Shri J.D.Patel - General Manager, The Baroda C.C. Bank Ltd; Shri L.B.Pavra - the then Manager (I/C), The Mehsana D.C.C. Bank Ltd; for extending their warm co-operation and active support in furnishing the wide-range vital data, which formed a crucial part of this research work.

I also appreciate and acknowledge the valuable guidance and useful suggestions offered by Shri Dilipbhai Raval - the then Commissioner & Registrar of the Department of Co-operation - Gujarat State, Shri Sudershan Sen - the then Regional Director (Gujarat) of Reserve Bank of India and Shri H. R. Dave - the then Chief General Manager (Gujarat Zone ) of NABARD. I express my sincere gratitude to all of them for their overwhelming response.

It is my good fortune to always have with me the Good Wishes and Blessings of the renowned Cooperative Leaders of Gujarat State like Shri Ajaybhai Patel - Chairman, The Gujarat State Co-operative Bank & The Ahmedabad District Co-operative Bank; Shri Narharibhai Amin - Chairman, The National Institute of Co-operative Management - Gandhinagar & Ex-Deputy Chief Minister, Gujarat State and Shri Ghanshyambhai Amin - President, The Gujarat State Co-operative Union & Ex-President and present Vice-President of The National Co-operative Union of India (NCUI). I have the pleasure of having remained associated with them, in one way or the other, gaining an opportunity to learn a lot from the wide treasure of their experience. I take this opportunity to convey my sincere thanks and heartfelt gratitude to all these dignitaries.

I am very much thankful to all those individuals who were kind enough to spare their valuable time for interacting with me on the various points of the questionnaire and offering their frank and useful views and opinions. In absence of what they have contributed, this research work would have remained incomplete.
I am equally thankful to the librarians and administrative staff of Gujarat Vidyapith, Ahmedabad & Randheja as also those of National Institute of Co-operative Management (NICM) - Gandhinagar, for their prompt and courteous services. My special thanks goes to Shri Manharbhai Makwana - the office superintendent of Randheja Centre of Gujarat Vidyapith for his noteworthy assistance.

I will be failing in my duty if I miss to make a special mention of the personal involvement and rich contribution offered by my daughters— AANAL and LIPSA - who are associated with the field of Co-operative Banking and Co-operative Training, respectively.

To conclude, I would like to thank all my family-members, friends and well-wishers, as also all those known and unknown individuals who have directly or indirectly offered their appreciable contribution for fulfillment of this Research Work.

Gandhinagar.
