ACKNOWLEDGEMENTS

I place on record my profound feeling of reverence and gratitude to Dr. V. Ramachandra Raju and Dr. K. Mohana Rao, for their inspiration, guidance and plentiful support during the course of my research work. In spite of their busy schedules they have spared their valuable time, in the preparation of the thesis report. I shall forever cherish my association with them for the exuberant encouragement, perennial approachability, and absolute freedom of thought and action I have enjoyed during the past several years.

I place on record my heartfelt thanks to the authorities of the Jawaharlal Nehru Technological University, Hyderabad, for providing an opportunity to work for my Ph.D. degree under the part time, external registration scheme.

I express my hearty and sincere gratefulness to the management of Siddhartha Academy of General & Technical Education, Vijayawada and to Dr. K. R. K. Prasad, Principal, V.R. Siddhartha Engineering College, Vijayawada, for extending the necessary facilities.

Immense thanks are due to Professor N. Vijaya Sai, Head of the Production Engineering Department, V.R. Siddhartha Engineering College, Vijayawada for providing the facilities in the department.
I am very much thankful to Mr. M.S.R. Niranjan Kumar, Lecturer, Production Engineering Department, V. R. Siddhartha Engineering College for his heart full cooperation and help for the completion of the thesis work.

I express my sincere thanks to Professor G. Sambasiva Rao, Head of the Mechanical Engineering Department, P.V.P. Siddhartha Institute of Technology, Vijayawada and Dr. A.V.S.S.K.S. Gupta, Associate Professor, J.N.T.U. College of Engineering, Hyderabad for their valuable suggestions, inspiration and encouragement throughout this work.

I am also thankful to Mr. B. Raghava Rao, Asst. Professor, Mr. N. Ravi Kumar, Asst. Professor, Mr. U. Koteswara Rao, Lecturer and Mr. K. Sivaji Babu, Lecturer, Mechanical Engineering Department, V. R. Siddhartha Engineering College, for their co-operation and service throughout the research work. I am thankful to my student Mr. K. Sainath for his help during the project work.

I must express my admiration to my wife A. Padmaja and my Children A. Satvik and A. Krupa Dhruvitha for their encouragement, patience, sacrifice and understanding during this endeavor.
