I thank my supervisor, Prof. K.C. Upadhyaya, for suggesting me this area of research and for providing the numerous facilities required for pursuing my work. I especially acknowledge the guidance and insight he imparted to work in the scientific community and the freedom he granted in pursuing this work.

I thank Dr. I.P. Singh Lall, National Centre for Plant Genome Research, for the unlimited help and support in the planning, execution and analysis of this work and preparation of the thesis, and, for being a friend, in the true sense of the word.

I sincerely acknowledge previous Deans, Prof. N.Z. Baquer, Prof. R. Prasad, Prof. K.C. Upadhyaya and the present dean Prof. R. Saxena, for providing administrative support.

I thank Prof. A. Datta, Prof. S.G. Mukherjee and Prof. S.K. Sopory for allowing me to use their lab facilities.

I sincerely thank Dr. Jagdish Kumar, Genetic Resources and Enhancement Program, International Crops Research Institute for the Semi-Arid Tropics (ICRISAT), Patancheru, Andhra Pradesh, and Dr. Shahal Abbo, Faculty of Agricultural, Food and Environmental Quality Sciences, The Hebrew University of Jerusalem, Rehovot, Israel for providing the seed material for this work.

I sincerely thank Dr. Malathi Lakshmikumaran, Bioresources and Biotechnology Division, Tata Energy Research Institute, New Delhi for her guidance and support in this work and for allowing me the use of her lab computer facilities. My sincere thanks to Anandita and Neeti in helping me with the computer programs.

I sincerely acknowledge Dr. T. Mohapatra, National Research Centre on Plant Biotechnology, Indian Agricultural Research Institute, New Delhi, for help in computer analysis and for his scientific advice.

I acknowledge my labmates: IP, Prasad, Praveen, Fatima, Tiwari, Kanchan, Ranjan, Amita Pandey, Nikhat, Maneesha, Amita Joshi, Anita, Monika, Purnima and Rashmi for their cooperation and good company.

I thank Niranjan, Subhra, Jyothi, Renu, Jayanti, Neelam, Madhusudan, Sagar, Simarjeet, Monideepa, Deepali, Sabhyata and Sarjeet for their help whenever needed.

I acknowledge with thanks the help provided by lab attendants Ajit Singh, P.K. Mishra and U.P.S. Chauhan.

I acknowledge the NCPGR staff: Mr. M.M. Sharma, Mr. Sunil and Mr. Negi for their cooperation and help.

I thank all members of the administrative staff of the university and the School of Life Sciences for their cooperation and help.

I acknowledge the junior and senior research fellowship granted by University Grants Commission.

I thank all my teachers for their guidance and motivation throughout the course of my education.

I thank all my friends and well wishers for their supportive company and helpful advice.

Mere words cannot thank my parents and my sister Rupa for believing in my efforts and providing everlasting love, care and support.

RITU MUKHERJEE
