ACKNOWLEDGEMENT

The research through my Ph.D. study would have not been completed without the help and support of many individuals who deserve my appreciation and special thanks.

I express my sincere thanks and deepest gratitude to my supervisors, Dr. Saranjit Singh, School of Mechanical Engineering, KIIT University, Bhubaneswar, Dr. Purna Chandra Mishra, School of Mechanical Engineering, KIIT University, Bhubaneswar and Dr. Anil Kumar Chaubey, Surface Engineering Department, CSIR-IMMT, Bhubaneswar for the intellectual support, help, advice, encouragement and guidance during all stages of the work that made this dissertation possible.

I am grateful to Dr. S. Nanda, Honorable Professor of Eminence and Research Chair, KIIT University and Dr. S. Tripathy, Coordinator, Ph.D. and Post-Doc. program, School of Mechanical Engineering, KIIT University, who have been a constant source of inspiration to me. I convey my special thanks to Dr. B. C. Routara, the honorable member of RSC and all other colleagues in my school for their help and cooperation during the research work.

I would like to acknowledge the support of Dr. A. K. Sahoo, Dean, School of Mechanical Engineering, KIIT University, Dr. T. Mohanty, Principal, KIIT Polytechnic, Bhubaneswar, Dr. B. K. Mishra, Director, CSIR-IMMT, Bhubaneswar, Dr. M. Suar, Director, School of Biotechnology, KIIT University, Prof. D. K. Bera, School of Civil Engineering, KIIT University, Er. T. K. Sahoo and Er. R. K. Mandal, CSIR-IMMT, Bhubaneswar, Er. K. M. Rajan and Er. S. K. Das, CTTC, Bhubaneswar for providing their facilities for doing the experimental and measurement works. I am thankful to Bharat Aerospace Metals, Mumbai, Geologists Syndicate Pvt. Ltd., Kolkata, Kems (India), Bhubaneswar and Union Tools Co., Kolkata for supplying materials and cutting inserts used in the experiments. My special thank extends to "Google" (https://www.google.co.in/), the popular search engine which helped me in searching the webpages as per my requirement time to time during the research work.

I would like to acknowledge the encouragement and support of my parents and the great educationalist and social activist Dr. Achyuta Samanta, Founder, KIIT & KISS, who has created such a brilliant research platform in KIIT University that helped me a lot during my research. I am also thankful to all those who have directly or indirectly helped during my research period. Finally, but most importantly, I am thankful to the Almighty, my Lord for giving me the will power and strength to make it this far.

Dipti Kanta Das
