ACKNOWLEDGEMENTS

I express my highest gratitude and heartfelt indebtedness to my supervisor, Dr. Pathipati Usha Rani, Senior Principal Scientist, Indian Institute of Chemical Technology (IICT), Hyderabad, for her inspiring guidance, encouragement, discussions and valuable suggestions throughout my research work. Her comments helped me to establish the overall direction of the research and to explore in depth investigations constantly. I am very thankful to her for giving me the opportunity to work in such a valuable group.

I am immensely thankful to the Director, Dr. J.S. Yadav, IICT, Hyderabad for providing facilities to carry out my research work.

Dr. M. Laxmi Narasu, Director and Dr. Archana Giri, HOD, Department of Biotechnology (JNTUH) for their continuous encouragement and support with their valuable suggestions during my research period.

I am very grateful to all my friends and colleagues, J. Madhusudhanamurty, Y. Jyothsna, P. Rajasekhar Reddy, K. Sandya Rani, Pratusha, Bhanu Rekha, Sai Kumar, T. Kiran Babu, Dr. B. Siddhardha, M. Vijay Kumar, K. Sathish, K. Harini, Ch. Shiva Kumar,
Ch. Kalyan and V. Bhavani for their encouragement and support during my doctoral study. I also thank all the friends of IICT who encouraged me a lot during this work.

I am blessed with the moral support and unlimited encouragement from my father P. Chenchu Ramaiah, mother P. Nirmala, my Wife P. Sunitha, my Sister T. Mamatha, my brother-in-law T. Sasidhar, my brother P. Rajesh and other friends and family members for their continuous support, love and affection, which really meant for what I am today.

I am thankful to CSIR, New Delhi for financial assistance in the form of Senior Research Fellowship.

I thank one and all who supported me visibly and invisibly.
