Special thanks to my teachers Dr. Bhavsar, Dr. Narkhede, Dr. Khoshe, Dr. Shinde, Dr. Talware and Dr. Sathe for their constant encouragement and inspiration.

Whatever I am and whatever I will be in future is because of the goodwill and unstinted support that I have received from my parents. Their kind cooperation helped me in pursuing my Ph.D and no words are enough to acknowledge them. Their constant encouragement, support and sacrifice made me achieve the goal. Words fall short to thank my late Grand-father Bajesing, Late Grand-mother Chandanbai, and Indhubai. Thanks to Grand-father Ramsing, Father-in-law Ramesh, Mother-in-law Arunabai, Brother Pradeep, cousin-brother Pravin, Dnyaneshwar, and Sandip, Sister Shaila, cousin-sister Manisha, Sureka, and Soni. Uncle Yadavising, Dilipsing, and Dilip mama. Aunty Vidya mami, Nephew Ranvir and Chetna. , Sister-in-law Sarika, Padama, Brother-in-law Ravindrasing, Jaydeep, Krushikesh, Tinku and Rajput’s family for their never ending encouragement and support.

I am indeed thankful to my wife Vijaya for her patience beyond limits and giving encouragement, support, for being my true friend during movements of both success and despair which enable me to pursue my goal whole heartedly. The presence of my loving daughter Mayuri and son Mukund has helped in a long way during critical times.

Finally I would like to thank Mr. Satish Mehta, managing director of Emcure Pharmaceuticals Ltd who enabled me to carry out my research in such a prestigious research laboratory.
