International Journal

PUBLICATIONS IN PROCESS

International Conference Proceedings:

2. P. M. Sonwane, Dr. B. E. Kushare, “Distribution system reliability through reconfiguration, fault location, isolation and restoration”, IEEE

National Conference:

1. P. M. Sonwane, Dr. B. E. Kushare, “Capacitor Placement For loss Reduction In 132kV Raymond Using DIgSILENT” National Conference on Advanced power system, First Prize Winner, Nov 2013

Other Paper Publication:

2. P. M. Sonwane “Simulation of Discontinuous current in 12 pulse Thyristor controlled AC DC Drives” was presented for the national Conference on Trends in Instrumentation Engineering-2004, at Thapar Institute of Engg. & Technology, Patiyala during Feb. 5-6, 2004. Panjab

5. P. M. Sonwane, D. P. Kadam, Dr. B. E. Kushare, “PLC SCADA, a case study autoclave automation” presented for the International Conference on ”PSACO-2008” at AU college, Andhra university, Visakhapatnam

6. P. M. Sonwane, D. P. Kadam, Dr. B. E. Kushare, “Fuzzy Logic Algorithm for Unit Commitment Problem” presented for the International Conference on Control, Automation, Communication and Energy Conservation” at Kongu Engineering College, Erode, TN, June 4-6, 2009
