ACKNOWLEDGEMENTS

It gives me immense pleasure, proud and privilege to express my deep sense of gratitude and respectful regards to Dr. M. Musaddiq, Head, Department of Microbiology, Who has been the guide for this thesis work. I am indebted to him for his excellent guidance, constant encouragement, constructive criticism, candid suggestions and moral boosting help throughout the tenure of my work. I am highly thankful to him for providing all the necessary facilities in the department for the completion of this work.

I will be failing in my duties if I do not acknowledge Dr. Vitthal Wagh, Principal, Shri Shivaji College, Akola who has been a long standing pillar of strength for me. I am thankful to Hon’ble Shri Vasantraoiji Dhotre, President, Shri Shivaji Education Society, Amravati for providing laboratory facilities.

I acknowledge teaching staff Dr. Z. H. Khan, Head, Department of Biochemistry and Mrs. Archana Pethe, Mrs. Chandra Ukesh, Shri Shivaji College, Akola. No least help has been extended to me by Dr. N. S. Kulkarni, during my research work which is remembrance for ever.

I am thankful Dr. Anil K. Fokmare, Mrs. Aarti Deshpande for their kind co-operation. I also thank to Miss Swati Bipte, for her help and time to time suggestions. I acknowledge all the Teaching and Non-Teaching staff members of Microbiology Department for constantly encouraging me and help me during the course of my project work.

Thanks are due to Dr. Parthsarathi Shukla and Dr. Deepali Shukla, Test tube centre, and Childrens Hospital, Akola for their generous help and teachings which pawed the way in the right direction for this work.
I am thankful to Mr. Raut, Librarian, Shri Shivaji College, Akola. Hearty thanks are due to Librarians of Government Medical College, Nagpur, Indira Gandhi Medical College, Nagpur, Nagpur University, Nagpur, NEERI, Nagpur, Haffkines Institute, Mumbai, and Dr. P. D. K. V., Akola for their vivacious help for the provision of necessary literature.

Thanks and appreciation are due to Dr. Hemant Joshi, Dr. Archana Joshi, Directors, Childrens Hospital and Research Station, Virar, and Dr. Sathe, Medical Officer, Government Hospital, Akola for providing me the facilities by extending their hospital records.

I am very much thankful to Prof. Nileema Chaube, Dept. of Statistics, Dr. P.D.K.V., Akola for her kind help in computing statistical analysis of the data and its interpretation.

Appreciation and respect are indebted to the symbol of trust, Shri. Vasant A. Mate, Ex-education officer, Akola who also has been an enlightening source for me. I am also specially greatful to my brother-in-law Mr. Tushar and Mrs. Charushila Tushar Kulkarni for their encouragements. At last but not least I appreciate the encouragement, affection, amicable and tendering support of all my family members, specially my childrens Vishrut, Bhakti, and Renuka, my brothers Ashish and Ketan throughout this work. I am thankful to my parents Mr. Dileep Joshi, and Mrs. Nisha Joshi for their regards and encouragements during the tenuous of works.

I am thankful to Mr. Agle, Mr. Bhalerao and Mr. Anand Chobey for their help. I am thankful to Shri Anay & Ajay Ghotikar, Prop. of Ajay Computers and Printers, Akola for their excellent assistance in type setting & printing the thesis.
