ACKNOWLEDGEMENT

I would like to express my heartiest gratefulness to the Almighty Lord for His divine blessings and grace, which has made it possible to complete this thesis successfully.

It is indeed, a great privilege to express my deep sense of gratitude to my respected supervisor Dr. K. Kannan Balasubramanian, Professor, Department of Computer Science and Engineering, Mepco Schlenk Engineering College, Virudhunagar District, for his invaluable guidance, stimulating encouragement, sparkling discussions and thorough explanations he gave me for the successful completion of this work.

I would like to thank Prof. R. Chithra Devi, Department of Information Technology, Dr. Sivanthi Aditanar College of Engineering, Tiruchendur for her inspiration and constant motivation. I am immensely grateful to Prof. Syed Ahamed, Department of Electrical and Electronics Engineering, National College of Engineering, Tirunelveli for his valuable suggestions and purposeful discussions.

I express my gratitude to my family members for their invaluable moral support without which this work would have been more difficult to complete.
