ACKNOWLEDGEMENT

First and foremost, praises and thanks to GOD, the Almighty, for His showers of blessings throughout my research work to complete the research successfully.

I wish to express my deep sense of gratitude to the beloved Vice-Chancellor Prof. Dr. K. Baskar for the immense support and encouragement given by him throughout my work.

I would like to thank the Registrar, Prof. Dr. A. John De Britto, Controller of the Examination, Prof. Dr. S. Prabahar and the Research Coordinator, Prof. Dr. R. Maruthakutti for their support in completing this research work.

I am extremely grateful to my supervisor, Prof. Dr. R. Ravi, Professor & Head, Department of Computer Science and Engineering, Francis Xavier Engineering College, Vannarpet, Tirunelveli, for his good advice and support throughout my research work. His attention, moral support and timely suggestions were useful in the preparation of my synopsis.

I convey my sincere thanks to Prof. Dr. R. Balasubramanian, Professor & Head, Department of Computer Science and Engineering, Manonmaniam Sundaranar University, Tirunelveli, for his continuous support and encouragement.

The acknowledgment would not be complete without thanking my family for their constant support, love, prayer, care and sacrifice. Today I feel that my parent’s hard work and dreams have blossomed. I thank my father, mother, brother, sisters, for their moral support. I also wish to mention special thanks to my father-in-law
Mr. S. Balachandran, Registrar (Retd) and mother-in-law, Dr. M. Rani, Professor (Retd) for their immense moral and emotional support throughout my research tenure.

Finally, I would like to mention one other person who is very important in my life, My wife Mrs. RA. B. Depaa, Assistant Professor, Department of Civil Engineering, Dr. M.G.R Educational and Research Institute University. I thank my wife for everything.

Apart from the efforts of myself, the success of any project depends largely on the encouragement and guidelines of many others. I take this opportunity to express my gratitude to the people who have been instrumental in the successful completion of this research.

M. Navaneetha Krishan
