ACKNOWLEDGEMENT

I Acknowledge with Gratitude; The grace, mercy, and peace from God the Father and Christ Jesus Christ our Lord who had provided me with knowledge and understanding, who is my constant guide and inspiration, my continuous strength to complete this work.

I am deeply grateful to Dr. Madhusudan J.V. who is my guide, inspiration for me. Who has worked together with me patiently without a word of complaint through my ups and downs. I extend my sincerest appreciation and thanks to him and his family for his painstakingly supervising and editing my thesis and make it a success. His valuable and timely suggestion, guidance and encouragement throughout my work have been unspeakably precious to me.

This work would not have been accomplished without the encouragement and participation of many people. I am also sincerely grateful to the head of department, faculty members and non-teaching staff of the department of education.

To Prof. Sujata Gurudev and Dr. Nikme members of the pre-submission board department of education, Tura who with much enthusiasm, care and interest, critically scrutinize my presentation, offering me helpful feedback, quality suggestions for improvement, selflessly and generously sharing wits and wisdom, pointing out generously the flaws and blemishes in my work, which, without it all my research and collection will be hanging in mid air.
My fellow students of the Education Department and Gringrang Ch. Marak who help me during the pre-submission seminar. I cannot forget my friends Hanniel Sengrik R. Marak and Sengbat G. Momin who had help me during the course of this thesis and well wishers whose prayer and help been beneficial to me in every way. Their contribution to this work have made it successful one.

Finally a very special note of appreciation to my family members who supported me during the days of intensive work, and who created environment in which I could devote my hours required for the preparation of this thesis to them my deepest and sincerest ‘Thank you’.

Above All thanks be to God the Almighty for granting me strength and help to finished this thesis.

Date: 02.05.2011
