ACKNOWLEDGEMENTS

I am on the verge of giving a final shape to my dream. It is a very pleasant and exhilarating moment of my life to acknowledge help and assistance of those who are directly or indirectly associated with my thesis work.

It gives me an immense pleasure in expressing my deep sense of gratitude and reverence to my mentor Dr. Sachin Kumar (Deputy Director/Scientist/Head Biochemical Conversion Division, Sardar Swaran Singh National Institute of Bio-Energy, Kapurthala), for his valuable and scrupulous guidance, and enthusiastic interest throughout my research work. His affectionate treatment and magnanimity made it feasible for me to bring the present work to conclusion. I am highly indebted to him for his gentle and benign behavior, patience in correcting my mistakes during my research work. I am grateful to him for articulating this path and being a constant source of inspiration.

My special thanks are due to Prof. Y. K. Yadav, Director General, SSS-NIBE for allowing me to carry out my research work at the institute and providing me all the facilities throughout the course of my research work. I will remain ever grateful to Dr. S. K. Tyagi and Dr. A. K. Sarma, Scientists, SSS-NIBE for their constant stimulation and invaluable support throughout the course of this investigation.

I would like to thank Ministry of New and Renewable Energy for giving me the Senior Research Fellowship and financial assistance during the course of my research work. I would also like to thank Microbial Type Culture Collection, Chandigarh for identification of the screened isolates. I am also grateful to Novozymes, Denmark for providing the saccharifying enzyme.

Heartfelt thanks are also due to my friends Dr. Shuvashish Behera, Ms. Richa Singh, Mr. Nilesh Kumar Sharma, Mr. Nandagopal Narayanaswamy, Dr. Madhulika Shukla, Dr. Jagdish W. Gabhane, Ms. Harmanjot Kaur, Ms. Meenu Hans, Ms. Rupali Mahajan, Mr. Raman Rao for their affectionate company, cooperation and moral support. I will always remain grateful to them for their help.
I wish to place on record my thanks to Mr. Ajit Paul Singh for his help in executing my experiments and carrying out analysis of my samples. The invaluable help rendered by the SSS-NIBE Library is gratefully acknowledged.

The words are not sufficient to express my love and gratitude to my parents for their blessings and moral support. I am in dearth of words in expressing my warm feelings to my husband, Ar. Vivek Sehgal and brother Mr. Sumit Arora for their encouragement and affection during my entire research period. I am also grateful to my in-laws for their moral support.

Last but not the least, I wish to acknowledge all those, whose names have not figured here, but who helped me in any form during the period of my research work.
