Acknowledgement

First of all, I bow before the God almighty and praise him for the merciful love and blessing showered on me throughout my life.

I consider this an opportunity to express my sincere gratitude to all those who have helped and supported me in bringing out this thesis.

First and foremost, I express my sincere gratitude to my guide, Dr. Linu Mathew, Assistant Professor, School of Biosciences, Mahatma Gandhi University, Kottayam, for her care, constant encouragement, critical worthy creative suggestions, timely guidance, continuous support and friendly attitude throughout the work. The support you gave us in all the hardships we suffered is unexplainable.

I am extremely thankful and indebted to Dr. K. G. Padmakumar, Director, International Research and Training Centre for Below Sea Level Farming, Alappuzha for being my co-guide. The generosity that you showed in parting the knowledge was so inspiring. I place my sincere thanks towards him for helping me in authentication of the samples collected.

I feel blessed to have Dr. A. Gopalakrishnan, Director, Central Marine Fisheries Research Institute (CMFRI) as my co-guide. The guidance, support, motivation and freedom given by him throughout the course of study were above my expectations.

I wish to express my sincere gratitude to Kerala State Council for Science Technology and Environment (KSCSTE), Thiruvananthapuram (Project no. 004/SRSLS/2010/CSTE) for granting the project under Science Research Scheme.

I would take this opportunity to thank Dr. J. K. Jena for giving me an opportunity to work in the prestigious institute of NBFGR.

I have no words to express my gratitude towards Dr. V. S. Basheer, Principal Scientist and SIC, Peninsular and Marine Fisheries Genetic Resources (PMFGR Centre), NBFGR, Kochi who played a pivotal role in my entry to the opportunities of PMFGR Centre. All the laboratory and sequencing work was materialized with the support of PMFGR centre. With all due respect I thank Dr. Basheer for the daughterly affection he showed towards me.
It's my pleasure, to thank Dr. P. R. Divya, Senior Scientist, PMFGR Centre, Kochi, for her timely help, moral support and encouragement extended during the course of my research and especially during the time of thesis preparation. You really understood my situations and helped me even though you were busy. I express my sincere gratitude to Dr. A. Kathirvelpandian, Scientist, PMFGR Centre, Kochi for correcting my manuscript, thesis and also for the regular motivation to submit the thesis. I sincerely thank Dr. T. Rajaswaminathan, Sr. Scientist, PMFGR Centre, Kochi for his encouragement and support throughout my work. I place my sincere thanks to Mr. Bineesh K. K., Mr. Charan Ravi and Mr. L. Mog Choudhary, Scientists, PMFGR Centre, NBFGR, Kochi for their encouragement and support.

I gratefully acknowledge the timely advices and the motivation rendered by Ms. Sajeela K. A. It is with immense gratitude that I acknowledge the support and help given by Mr. Raj Kumar. You taught me all the basics of lab work, software and analysis. I owe my deepest gratitude to Ms. Mohitha C., you always made yourselves available and helped me whenever I approached you. I thank Mr. Rahul G. Kumar for the samples from Sharavathy and valuable guidance in manuscripts and figures. Dr. Rajool Shanis C. P., Ms. Linu Joy, Ms. Sheeba K. B., Mr. John C. E., Ms. Jeena N. S., Ms. Arathi D., Mr. Vineesh N., Kum. Elizabeth Jency, and Mr. Syam Krishnan is also greatly acknowledged for their support and friendship.

I express my deep gratitude to Dr. Keerthi. T. R. (Director), Dr. J. G. Ray, Dr. M. S. Latha, and Dr. Jyothis Mathew, (Former Directors), School of Biosciences, Mahatma Gandhi University, Kottayam for providing all the necessary facilities for completing my thesis work. I register sincere thanks to all my teachers Dr. Prakashkumar. B., Dr. R, Harikumar Nair, Dr. K. Jayachandran, Dr. M. S. Jisha, Dr. Anie.Y, Mrs. Resmi. S.S. and Dr. Radhakrishnan E.K, of School of Biosciences Department for their encouragement and bounteous co-operation throughout the course of my research work. I extend my thanks to the non-teaching staff members including technical staff, Mr. T.S. Bose, Mrs. S.L. Reji and Mr. A.M Binoy, Research scholars, M. Phil and M.Sc students of School of Biosciences for their timely help and kind co-operation.

It is with immense gratitude I acknowledge the Management of Food Corporation of India (FCI) especially the Area Manager, Kochi, Mr. John of
Matha, Former Area Manager, Kochi, Smt. Jency Philip, Mr. T. R. Prakasan, and all my colleagues of FCI, D. O. Kochi, FSD Masonry and FSD Ankamaly. Thank you all for your motivation and support. A special thanks to Mr. Linson K., Thomas and Mrs. Shalin Thomas for taking care of my shed in my absence.

I am indebted to the support given by my friend Ms. Shajitha P. P. who was there with me at all the stages of this journey. You were really a friend indeed Shajitha. I am grateful to all the research scholars of the Department whose co-operation and assistance that helped me in the various aspects of my work. With great happiness I would like to express my gratitude to all my friends, especially, Mrs. Smitha Thomas, Mrs. Reshma John, Mrs. Rashmi P. A., Mr. Dhanesh N R, Mrs. Thushara Susan Sabu, Mrs. Preethi T. K, Mrs. Siji Raju, Mrs. Shahena and Mrs. Maya Rajan for their help and co-operation throughout my project work.

Words merely can’t express my love and gratitude towards Mr. Rajesh Xavier K., my husband who bore all my emotional outbursts although these years. Thank you so much dear for your prayers and support. I express my gratitude and love towards my parents and in laws for their constant encouragement, prayers and support without which I would not have been able to pursue the research work. I am greatly indebted to my own sister Mrs. Anitha Denny and family for their wholehearted support for this degree with whose economic support I started this journey. The spiritual support given by Fr. Joy Thottankara, Fr. Sebastian Christy MI, Fr. Vineesh MI, Fr. Vince MI and all other prayer group members of Snehatheeram is also greatly acknowledged.

I also thank Mr. Rakesh, Mr. Praveen, Mr. Stephen Palaparambil, panayikulam, Mr. Aswin, Mr. Aneesh and all other persons who were involved in the process of sample collection.

I am very grateful to all my friends for their support, encouragement, especially Mrs. Abhilash, Mrs. Jinson and Mr. & Mrs. Reju Mendez and their family. I owe my special thanks to Minitek Computers, Opposite M. G. University, Kottayam, for the word processing and documentation of this work.

I thank all my friends and relatives, far and near whom were supporting me through their silent prayers.

Aneesha Devassy
