LIST OF TABLES

Pre-test and post-test of Control group

Pre-test and post-test mean scores of Experimental group

Pre-test and post-test mean scores of Male and Female students in Experimental group

Pre-test and post-test mean scores of Male and Female students in Experimental Group.

Pre-test and post-test mean scores of Rural and Urban students in control group

Pre-test and post-test mean scores of Rural and Urban students in Experimental Group

Pre-test and post-test mean scores of Government, Aided and Un Aided school students in control group.

Pre-test and post-test mean scores of Government, Aided and Un Aided school students in Experimental group.

Pre-test and post-test mean scores of students who studied in Arts, science and Vocational streams at +2 level in the control group

Pre-test and post-test mean scores of students who studied in Arts, Science and Vocational streams at +2 level in the experimental group.

Pre-test and post-test mean scores of students whose parents’ qualification is below X std, X to XII std, and above XII std in the Control Group.

Pre-test and post-test mean scores of students whose parents’ qualification is below X std, X to XII std, and above XII std in the experimental group.

Comparison of Control and Experimental groups in pre-test

Comparison of Control and Experimental groups in post-test
Comparison of achievement of Male and Female students in post test in Control Group

Comparison of the achievement of Male and Female students in the post-test in Experimental Group

Comparison of post-test scores of the Rural and Urban students in the Control group

Comparison of post-test scores of Rural and Urban students in Experimental group

Comparison of pre-test and post-test scores of Rural students in Experimental group

Comparison of pre-test and post-test scores of Urban students in Experimental group

Comparison of pre-test and post-test scores of Rural students in Control group

Comparison of pre-test and post-test scores of Urban students in Control group

Comparison of post-test scores of Government and Aided school students of experimental Group

Comparison of post-test scores of Government and Un Aided school students of Experimental Group

Comparison of post-test scores of Aided and Un Aided school students of Experimental group

Comparison of post-test scores of the Government and Aided school students of Control group

Comparison of post-test scores of the Government and un Aided school students of Control group.

Comparison of post-test scores of Arts and Science students in Control group
Comparison of post-test scores of Arts and Vocational students in Control Group

Comparison of post-test scores of Science and Vocational students in Control group

Comparison of post-test scores of Arts and science students in experimental group

Comparison of post-test scores of Arts and Vocational students in experimental group

Comparison of post-test scores of Science and Vocational students in experimental group.

Comparison of pre-test and post-test scores of the students whose parents’ education level is below X std and between X to XII in the Control Group

Comparison of pre-test and post-test scores of the students whose parents’ education level is below X std and above XII in Control group

Comparison of pre-test and post-test scores of students whose parents’ education level is above XII std and between X and XII and in Control group.

Comparison of pre-test and post-test scores of students whose parents’ education level is below X std and between X and XII in Experimental Group

Comparison of pre-test and post-test scores of students whose parents’ education below X std and above XII std in Experimental Group

Comparison of pre-test and post-test scores of students whose parents’ education is below X std and above XII std in experimental group.
