ACKNOWLEDGEMENTS

I wish to express my deep sense of gratitude to Prof. R.D. Singh, Head, Department of Genetics and Plant Breeding, Banaras Hindu University, Varanasi, formerly Professor of Agricultural Botany and Dean, Faculty of Agriculture, Meerut University, Meerut, for his able guidance and valuable criticism throughout the course of investigation.

It is my pleasant duty to thank Prof. H. Kihara, Dr. J.A. Wilson, Dr. K.A. Lucken, Dr. L.W. Briggle, Dr. S.S. Monge, Dr. S. Rajki, Dr. L.H. Shebeski, Dr. G.C. Gilmore and others for providing the material used in the present study. Junior Research Fellowship awarded by the University Grants Commission is also gratefully acknowledged.

I should also like to thank Shri V.P. Tyagi for performing the arduous task of typing and Mrs. Meera Kaansal for going through the manuscript. Finally, I wish to extend my deep appreciation to my wife, Asha, for encouragement and other timely help in the tabulation of data.

---

(Jagveer Singh Jindhu)
