Declaration

I declare that the thesis titled, **A study to determine the survival probability and risk factors for mortality among women patients who are or have been on Directly Observed Treatment Short course (DOTS)**, submitted by me for the Degree of Doctor of Philosophy is the record of work carried out by me during the period August 2010 to March 2015 under the guidance of Dr. Anita Kar and has not formed the basis for award of any degree, diploma, associateship, fellowship, titles in this or any other University or other institution of higher learning.

I further declare that the material obtained from other sources has been duly acknowledged in this thesis.
